NOËL WIGGINS

PRODUCER | CINEMATOGRAPHER | VIDEO EDITOR

Operating in the Greater Dallas/Fort Worth Metroplex. I am a freelance all-in-one filmmaker. Creating content based upon the needs of the client, I can perform the many tasks to guide an idea from pre-production, filming, post and final delivery.

EXPERIENCE

SEGMENT PRODUCER
PVP Live | pvplive.net
Frisco TX

April 2016 - July 2016
Specializing in the creation of Esports related video content for a newsroom environment. Responsibilities include working with an Executive Producer to conceptualize, write, act, and edit videos for the ever-growing Esports market. Examples are available on pvplive.net

WRITER | DIRECTOR
Director Noel Wiggins
Dallas TX

June 2013 - Present
Envisioning and creating compelling stories with a cinematic look for commercial, film and independent productions. My portfolio includes finished projects for music videos, online promotional content and documentaries.

SOUND DESIGNER
ScrewAttack
Dallas TX

February 2016 - Present
Working with the Lead Animator to plan and provide sound effects and mixing for Death Battle. Using a combination of pre-recorded and live foley sound effects to create the appropriate soundscape.

VIDEOGRAPHER | EDITOR
Peak Royalties
Irving TX

August 2014 - March 2015
Writing and creating online content for a mineral rights company. Capturing and assembling footage to create a finished product while matching the company director's overall vision for broadcasting.

EDUCATION

Tarrant County College NE
IT Security

AAS: I was trained to recognize, mitigate, and to prevent the online threats associated with the information systems of modern and future technologies. Mastering techniques to ultimately combat cyber crimes.

Mediatech Institute
Audio Engineering

Diploma in Recording Arts: Learning and honing my skills in the many aspects of the audio industry and all forms of audio production.
4.0 GPA
