January 24 to March 22

(12:58:24:01)

I've been gone for a day now, and the  
I believed that being in another city  
would make me feel more at home.  
Sadly the same sense of displacement  
I am finding here I found in Miami.  
What a monotonous feeling, I  
plead one day goes away. I must stop  
making homes in people if I'm ever  
to leave this.

January 24 to March 22

(10:45:24:01)

(15:40:25:01) (1:03:27:01)

I've been gone for a day now, and the first thing you start talking to me about is how I'm messing up.

(14:16:26:01)

Everytime I look in a mirror, I picked at it more and more. I look like a fucking bum, but when you see me you say I look okay

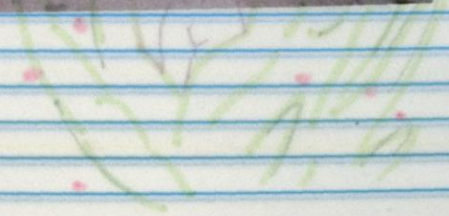

January 24 to March 22

(10:25:04:21)

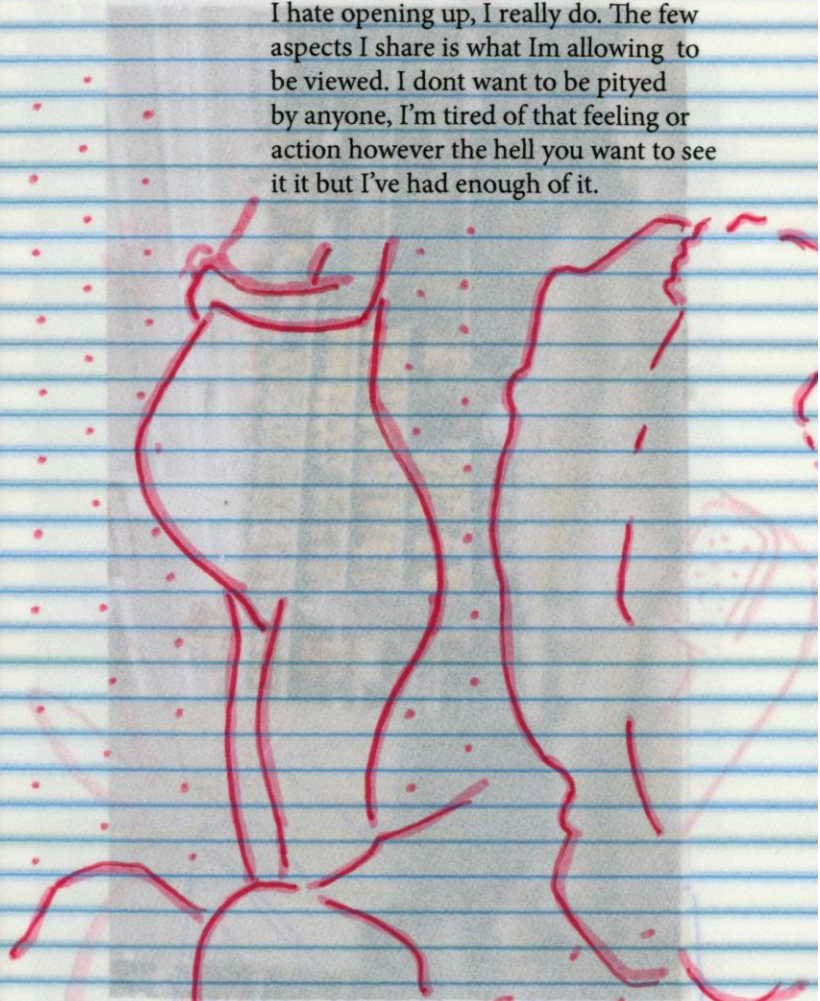

I've been gone for a day now and the  
the amount of snow is about

(21:00:30:01)

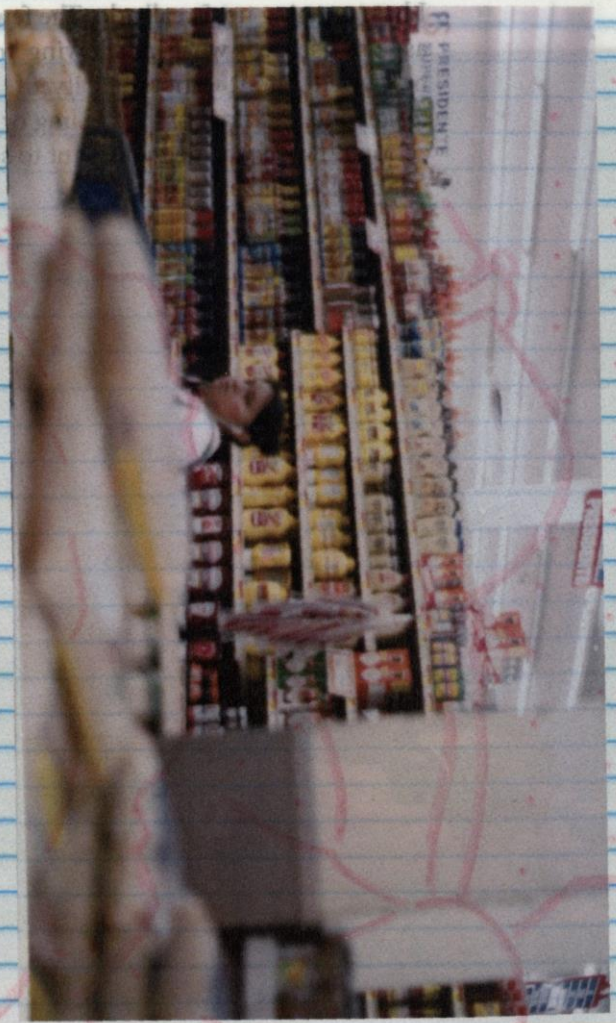

(23:25:28:01)  
(11:03:27:01)

I hate opening up, I really do. The few  
aspects I share is what Im allowing to  
be viewed. I dont want to be pityed  
by anyone, I'm tired of that feeling or  
action however the hell you want to see  
it it but I've had enough of it.

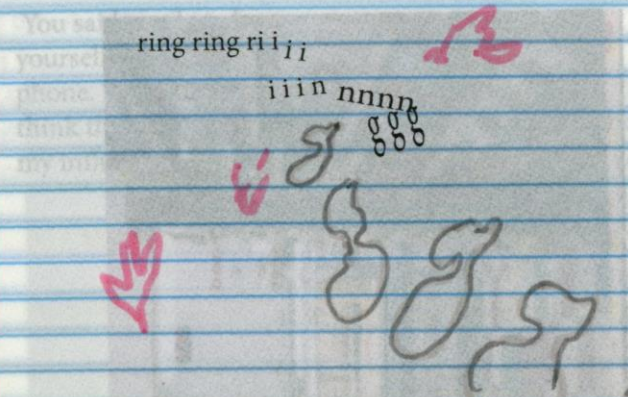

(10:55:30:01)

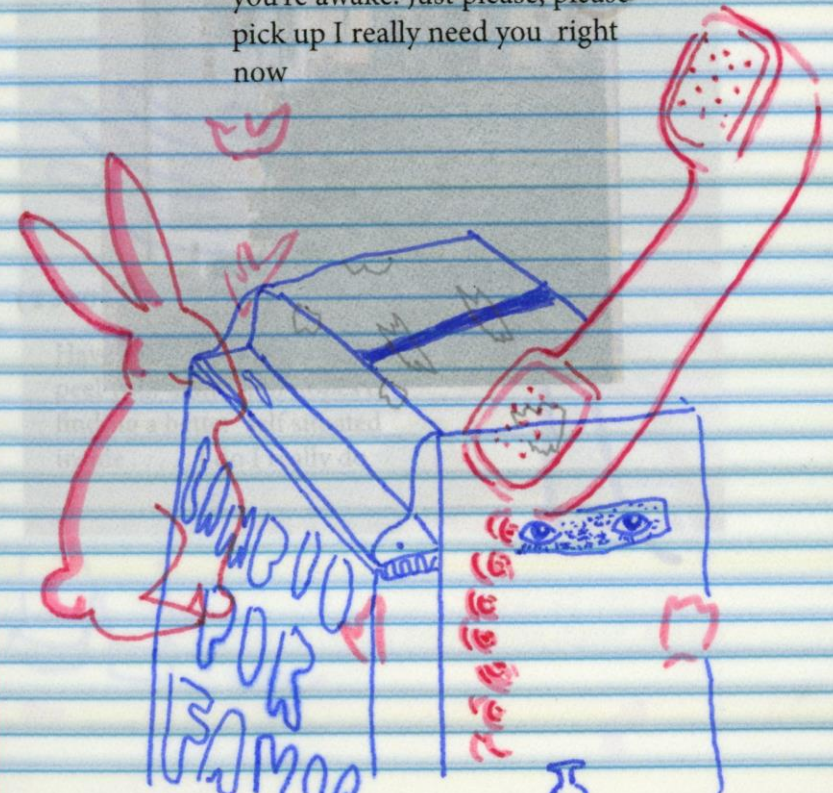

(21:08:30:01)

(23:25:28:01)

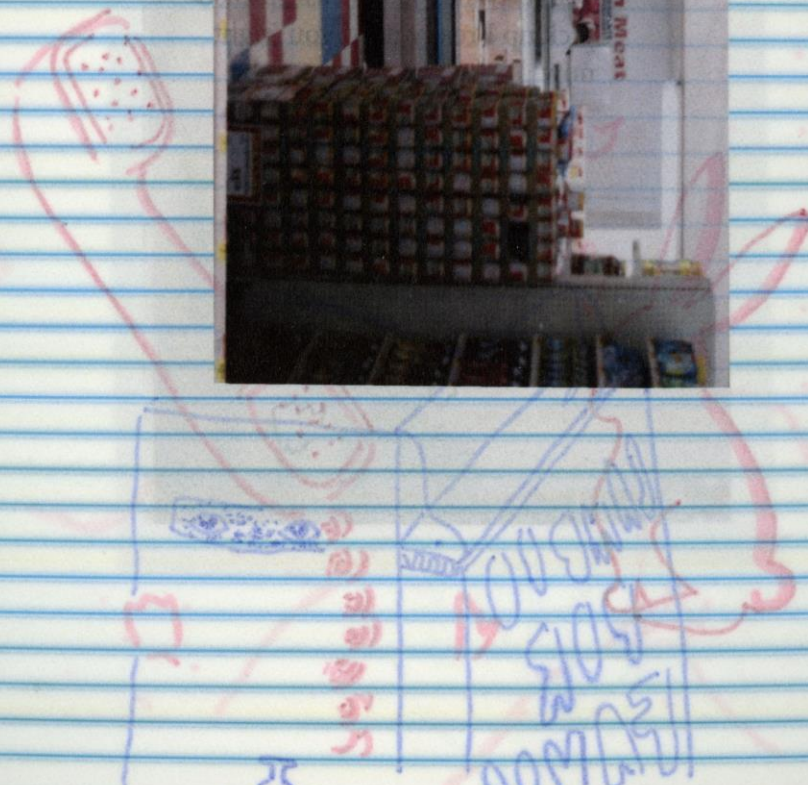

(00:02:29:01)

Why don't you pick up, I know you're awake. Just please, please pick up I really need you right now

(23:52:38:01)

(21:08:30:01)

You said you hated  
yourself over the  
phone. I can't help to  
think this is my fault,  
my influence on you

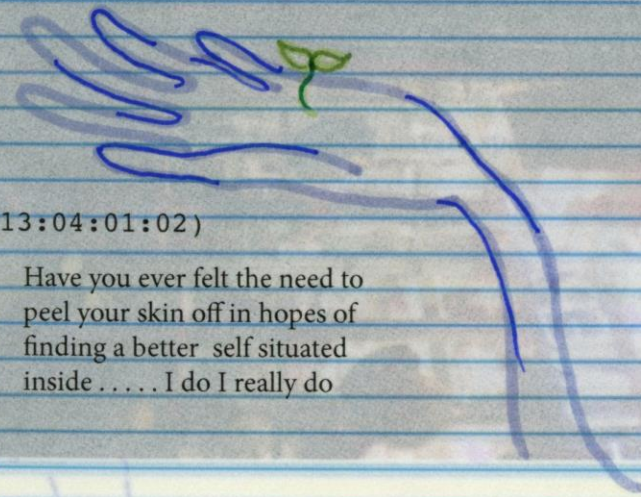

(22:33:31:01)

You told me all about your  
new friends, you seemed so  
happy talking about them.

I'm happy for you.  
you kept repeating how  
much we'd all get along,  
and how I'd love them.  
But why does you saying  
that make me feel so sick  
inside.

(13:04:01:02)

Have you ever felt the need to  
peel your skin off in hopes of  
finding a better self situated  
inside . . . . I do I really do

(10:08:30:01)

(23:58:04:02)

You said you hated  
yourself over the

(23:58:04:02)

(03:42:02:02) really? You are fucking jok-

I cried today in a bathroom stall, I havent  
done that since I graduated. I thought I had all  
those feelings repressed but by finding that old  
picture seeing how innocent it all was.

I miss it

(00:45:03:02)

Hip Hip Hooray

It's your birthday today  
this is the first time I havent spent it with  
you

(12:05:05:02)

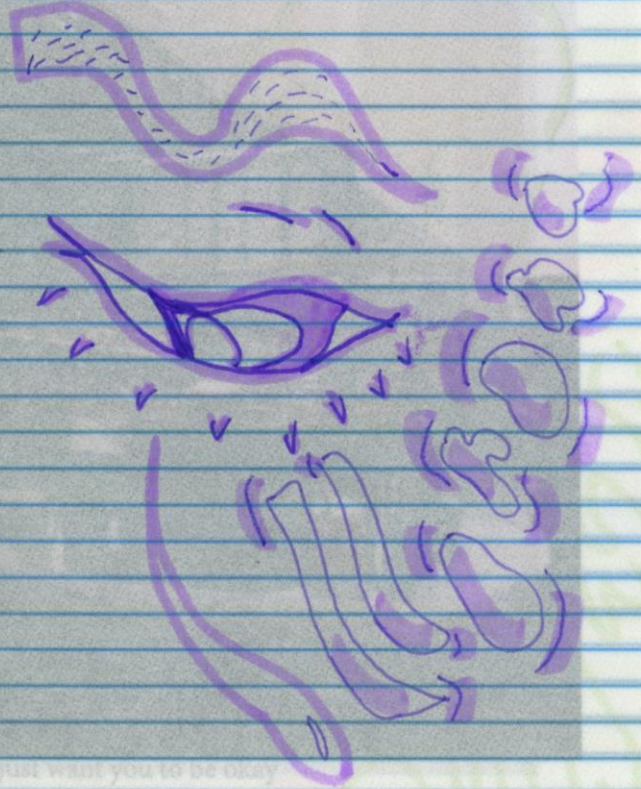

Shit do I bring this all upon myself, is it my  
fault

(15:09:06:02) (23:58:04:02)

Disconnetcing really? You are fucking jok-  
ing right disconnecting, after everything,  
after everything I've told. Letting me become  
vulnerable to you, you tell me this

(12:05:05:02)

Shit do I bring this all upon myself, is it my  
fault

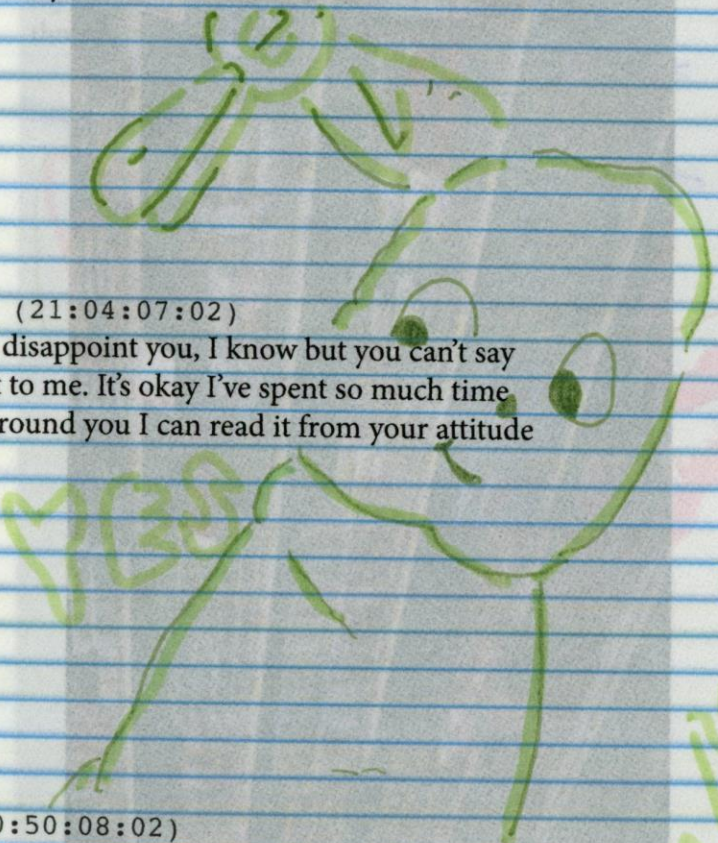

(23:28:04:02)

really? You are fucking jok-  
connecting after everything  
The girl feeling me become  
you want feel me this

Shit do I bring this all upon myself, is it my  
fault  
(12:02:02:02)

(15:09:06:02)

It's only been what almost two weeks now, so  
why do I still feel like this

(21:04:07:02)

I disappoint you, I know but you can't say  
it to me. It's okay I've spent so much time  
around you I can read it from your attitude

(10:50:08:02)

You were crying over the phone I kept ask-  
ing if you were okay but you kept dismiss-  
ing it

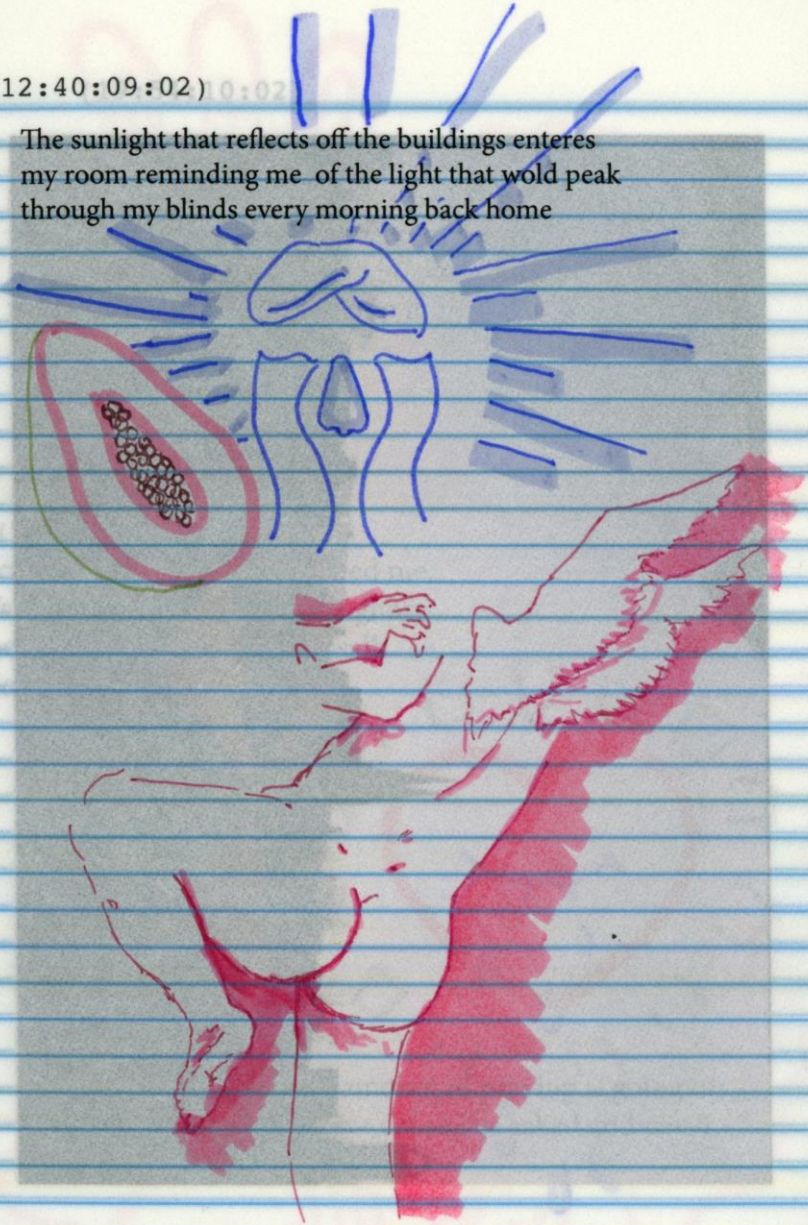

I just want you to be okay

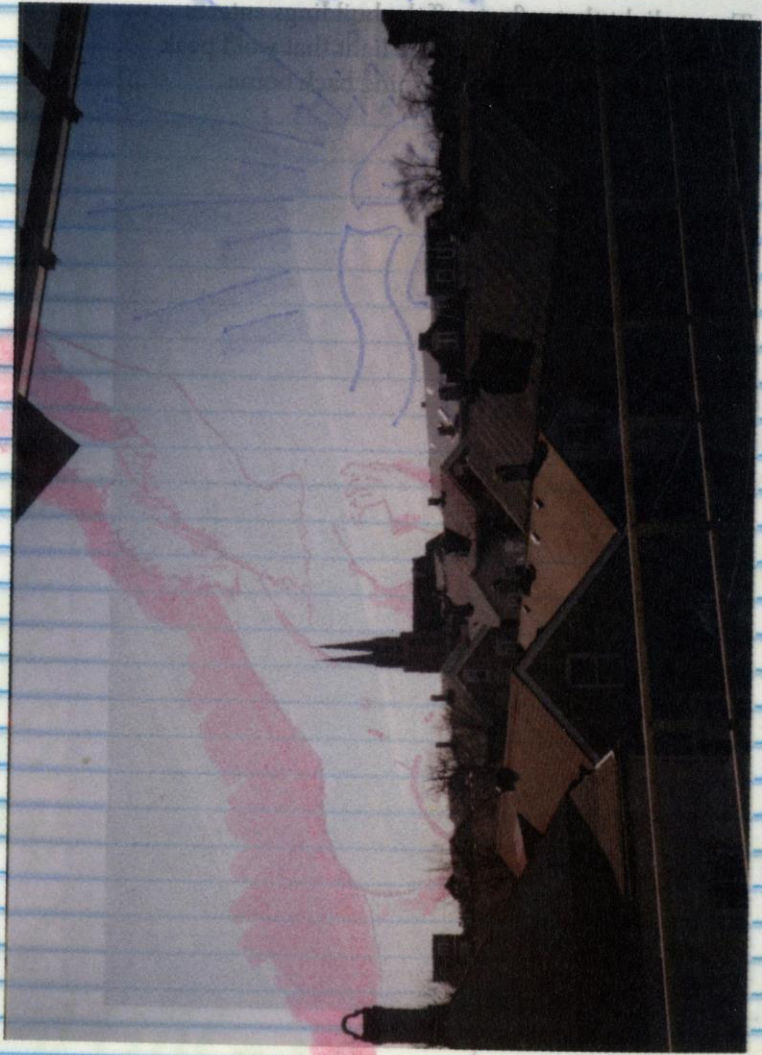

(12:40:09:02) 0:02

The sunlight that reflects off the buildings enters my room reminding me of the light that would peak through my blinds every morning back home

(13:40:04:51)

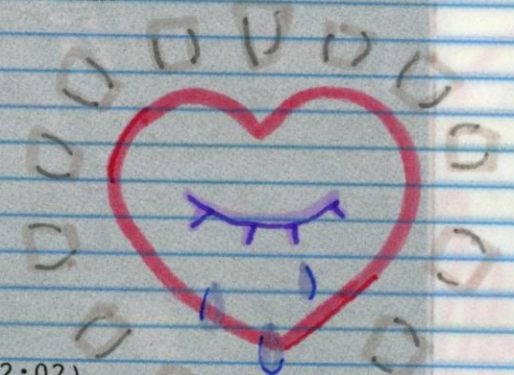

(19:54:10:02)

I keep having flashbacks to that day, people saw I know they did, they had to it was broad daylight. So why didnt any of them stop it

(15:22:11:02)

I can still feel where he touched me, it's been weeks now. It's like a ghost looms over me everytime I walk alone

(23:16:12:02)

Abuela I don't think any amount of praying is going to save me or help me achieve cause I've asked and never received anything

(21:28:13:02)

Fuck

better than the film character  
you put on for show

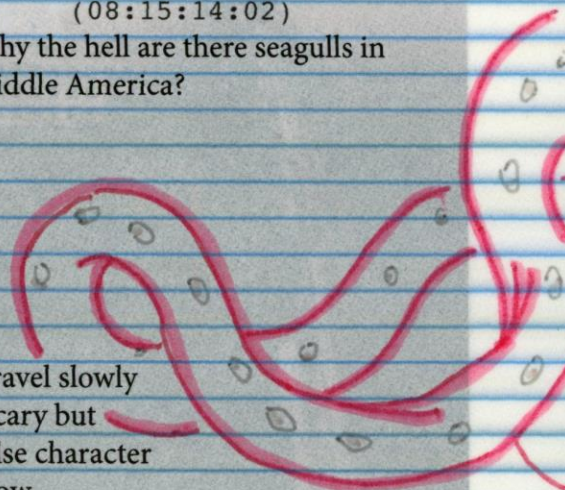

(06:22:15:02)

Look at where you hide  
Take a breath, Watch it collapse  
In it's remains you lay motionless

(08:15:14:02)

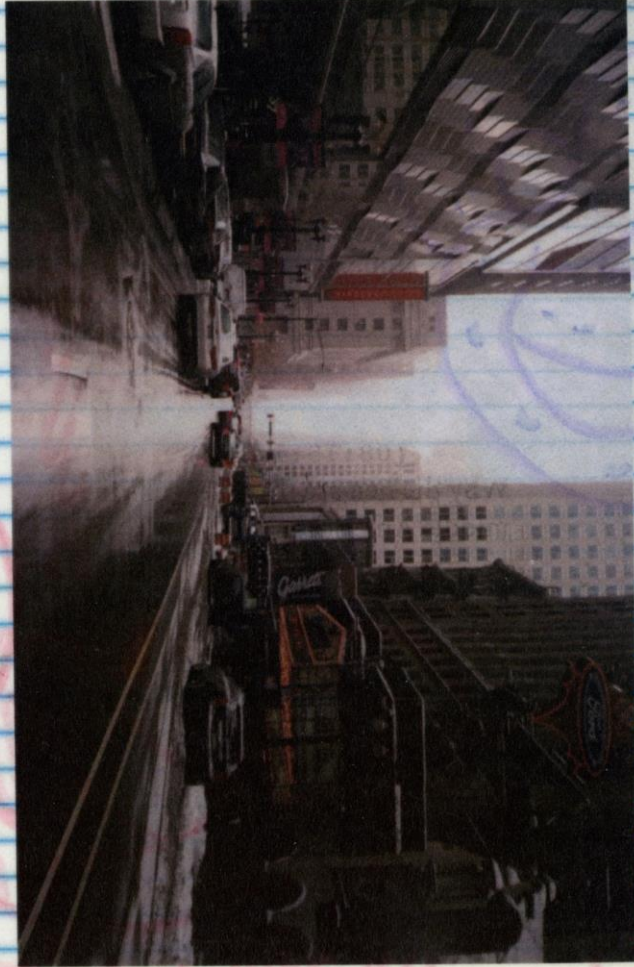

Why the hell are there seagulls in  
middle America?

(17:48:16:02)

Let the seams unravel slowly  
be exposed , It's scary but  
better then the false character  
you put on for show

(22:32:19:02)

Please.. Please.. pick up please I really need

(19:42:17:02) ght now

Me recuerdo el juego que juegue con mi abuela en mi juventud  
Fue tan simple, siempre lo jugamos cuando estábamos juntas  
Gritaste Mío Mío cuando viste algo que querías  
Fue tan inocente, nunca note la razón porque lo jugamos cuando  
chiquitica  
Pero ahora cuando yo me recuerdo de mi niñez entiendo porque  
Tu quería yo viva en una fantasía y no ver la pobreza que estaba  
al rededor  
Yo sé que querían dar me to do pero no podían  
Me enseñaron a soñar en eso  
Pero que llegar a eso que deseo solo se llega con trabajando y con  
trabajo duro  
Que no se llega haciendo bagá  
No se llega siendo mediocre  
Faltas ser el mejor y si no eres no eres nada  
Algunas veces sueño igual como lo ese de chiquitica  
Yo sé que no tuvimos mucho, pero estuve ma feliz

Estoy ca  
llamando me exotica

(22:32:19:02)

Please.. Please... pick up please I really need to talk to you right now

(14:37:18:02)

No Mama, Si Mama, No Mama, Por supuesto mama, No dijo eso mama, Si yo te queiro mama... Mama porque me colgaste

done nothing to you if anything I've  
been highly supportive of you. Bitch

back one more time. You are gonna  
find out what a fight is

(13:04:26:02)

(03:06:25:02)

Everytime I ask you a question you avoid it  
why I answers yours everytime. Do you not  
hold confidence in me really.

(13:04:24:02)

You flip flop in whether you support me  
or not, Sometime you call me an idiot,  
cabezona, or cabrona but then you say you  
want all my dreams to come true what is  
it then

Why I answers yours everytime. Do you not  
Everytime I ask you a question you avoid it

(03:06:22:02)

(13:04:26:02)

You keep telling me I remind you of him. I think you say it with the best intentions but it hurts everytime yo repeat it. I think you assume just because I was so young I won't remember but I do , every detail of that day

(21:17:27:02)

I can't sleep, the same dream keeps repeating and

(13:04:28:02)

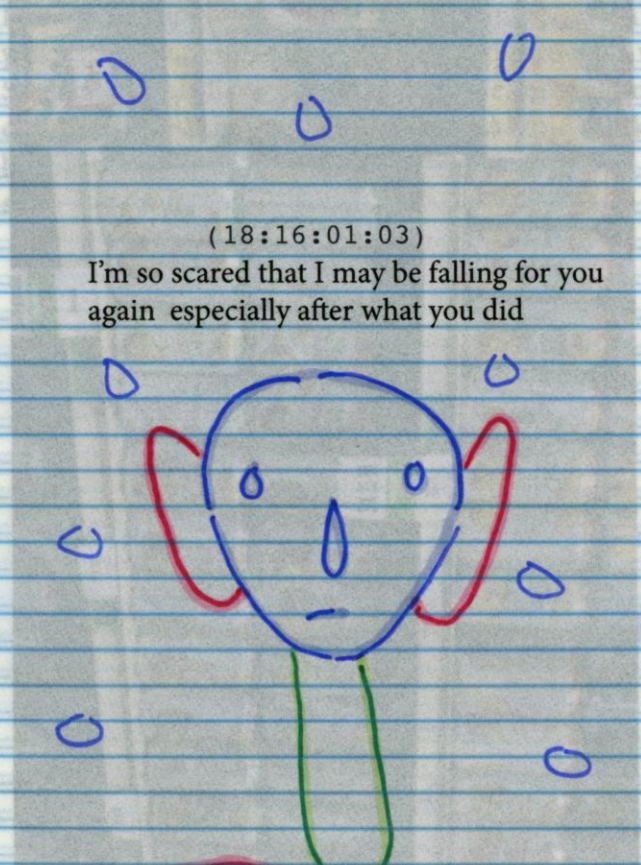

I'm disgusting aren't I thats why you never liked me. I dont fit into that stupid manic pixie girl who grovles at your feet. But you like that shit

Mama I know somethings wrong  
you dont want me to fall, cause you  
already think my brother is Dont

(10:09:02:03)

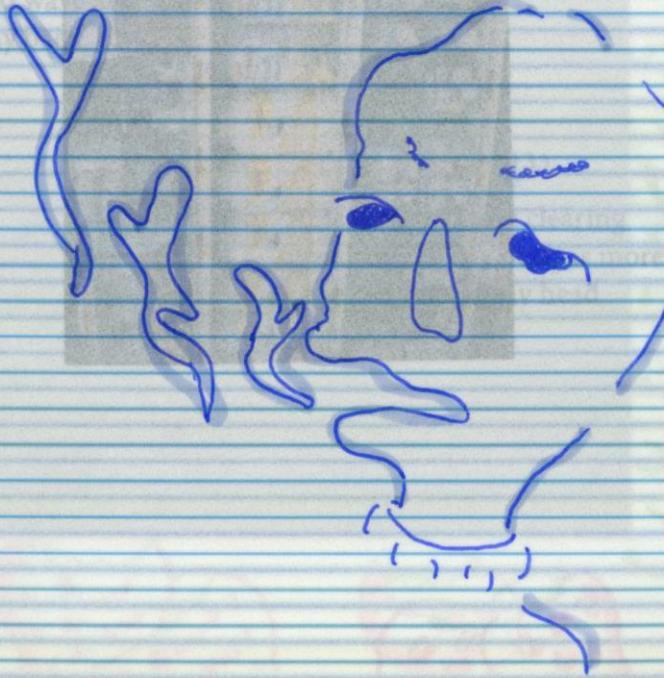

I find it so stupid that  
you are still with this guy.  
So many people have  
clearly told you shouldnt  
be together why do you  
stay.

(12:02:03:03)

I want to smash my  
head through a wall in  
hopes of avoiding all  
this stupid thinking.

(20:25:00:00)

Does my  
trophy  
break m

(19:18:05:03)

Mama I know somethings wrong  
you dont want me to fail, cause you  
already think my brother is. Don't  
be hard on him, he isn't me please.

Fuck I'm so frustrated in so  
many ways. No self care is  
helping me

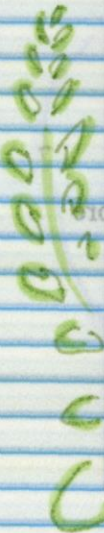

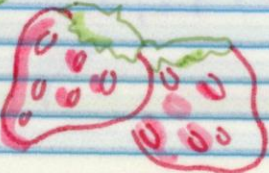

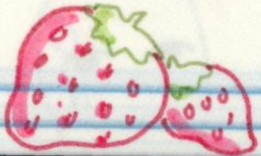

(20:26:06:03)

Does my dad only want me as an object a  
trophy to wave around to everyone, if not you  
break my back, or choke me out

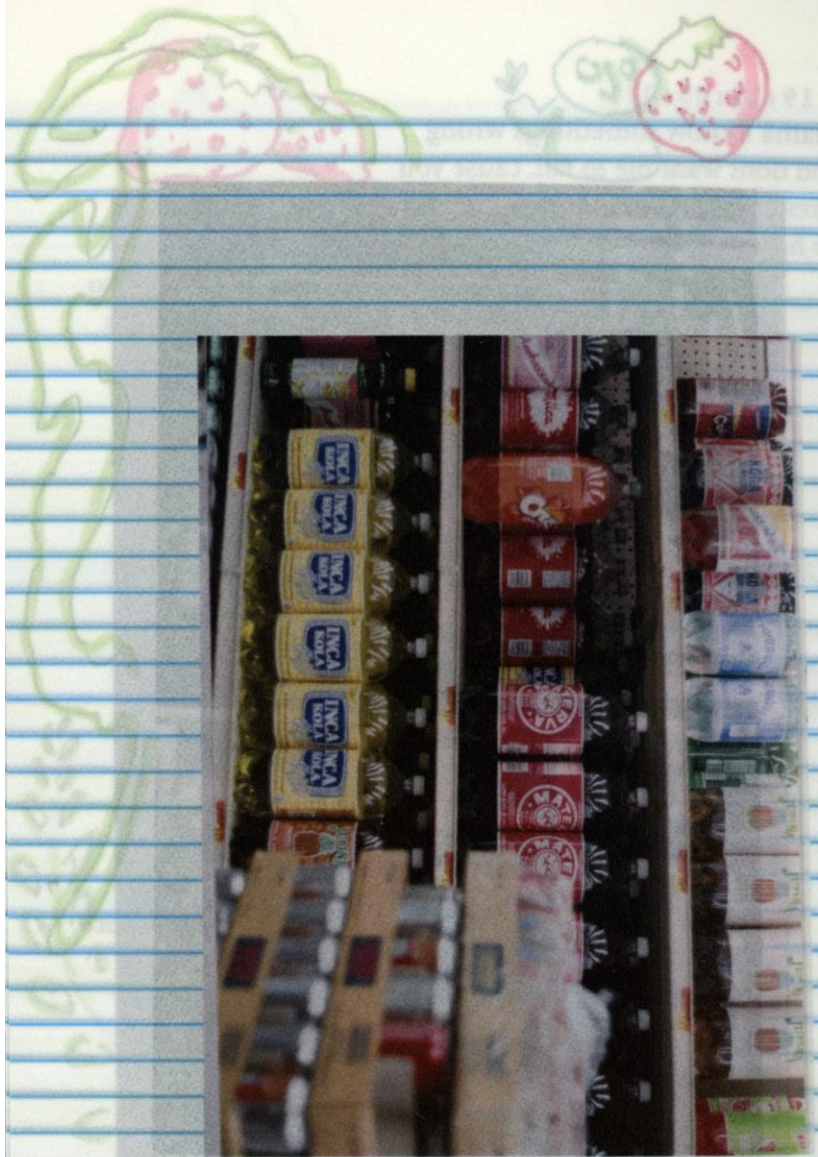

(00:18:07:03)

At least my acne is clearing  
up so I guess my body is more  
of an adult than my head  
currently

(01:58:08:03)

You keep telling me you have something important to say but when I ask you to say it, you pretend to fall asleep or the call fails

(04:17:09:03)

Privileged ass kids don't know what they have sometimes, and how much some fight to just touch the level they are in

(16:24:10:03)

Some kids here can't stop fucking complaining. Half of them don't know what it really is to struggle, to be homeless, for their life to be threatened. To have to hide as a kid because they would kick you out of your home.

(04:17:09:03)

You keep telling me you have something important to say but when I ask you to say it you pretend to fall asleep or the call fails

(05:14:11:03)

I've been in my bed for 14 hours now, has it got this bad

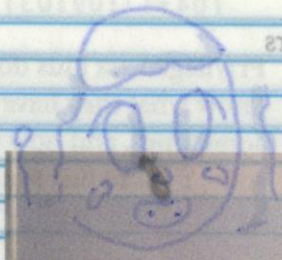

(02:08:12:03)

Maybe I should listen to people. Go get help like everyone else, but I'm scared they will hurt me again, they always have

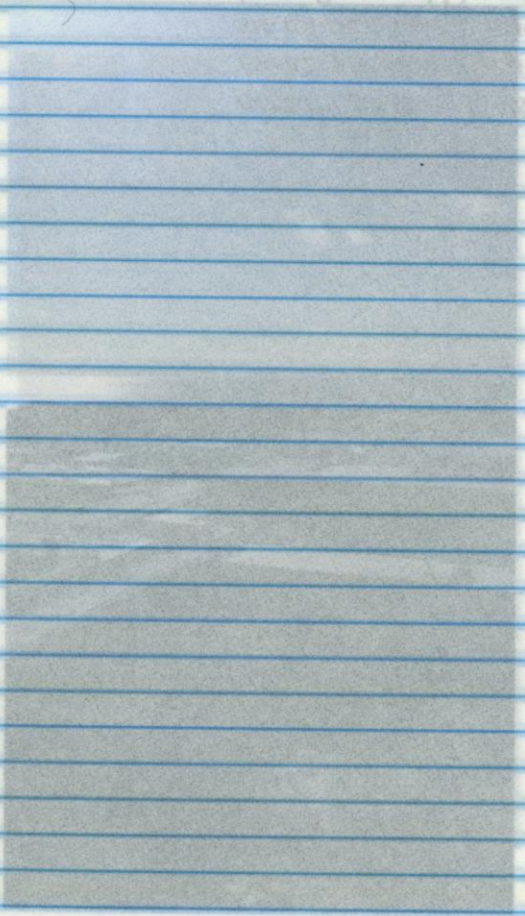

17 (00:04:13:03)

No matter how much help I get from people none of it seems to put a dent on anything, why does this always happen why do I get close to achieving what I want for then it to be taken away because I wasn't good enough

(00:04:13:03)

No matter how much help I get from people none of it seems to put a dent on anything, why does this always happen why do I get close to achieving what I want for then it is taken away because I wasn't good enough

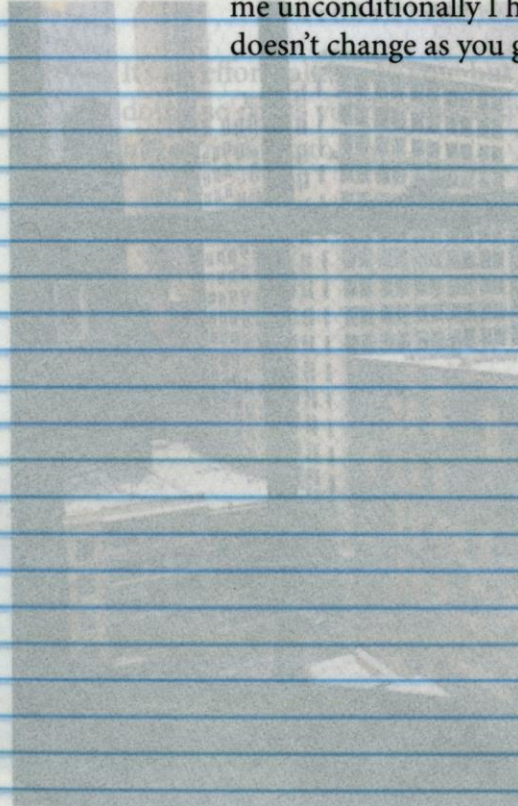

(13:04:14:03)

I feel so bad that I can't be there for I know you need me right now . I can only be a force to spirit, but I know very well that doesn't help

(00:26:15:03)

Everytime I get a letter from you, I get so happy I think you are the only person who loves me unconditionally I hope that doesn't change as you get older

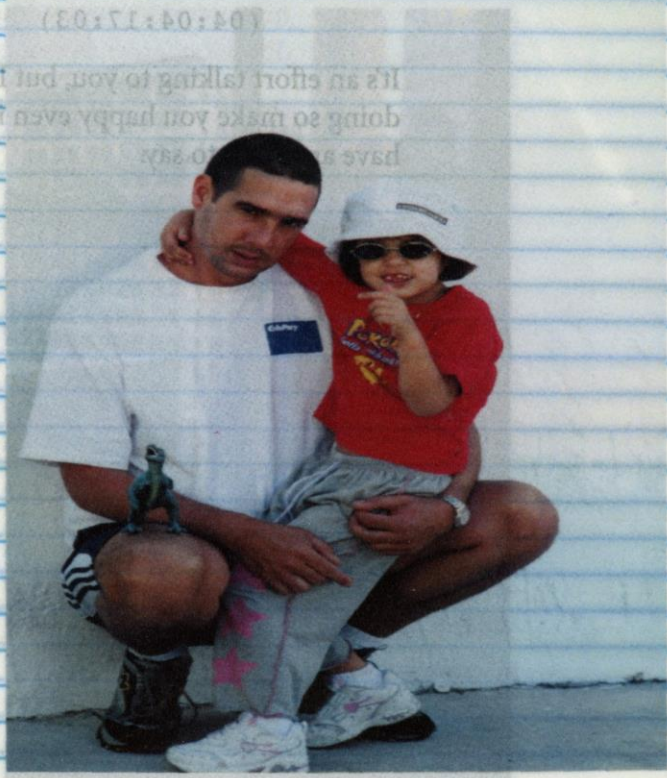

(01:08:16:03)

It's been twelve days since you've called, I wonder if you forgot about that promise you made

(04:04:17:03)

It's an effort talking to you, but I know doing so make you happy even if I don't have anything to say.

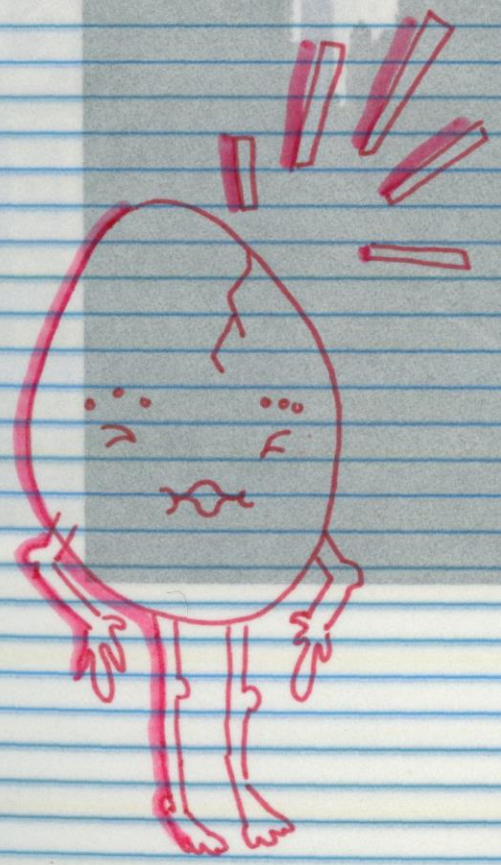

(01:13:20:03)

(06:04:19:03) I talk to him, Yo (13:32:18:03)

I feel like its possible  
to fry an egg from  
the heat of anger  
coming through my  
head

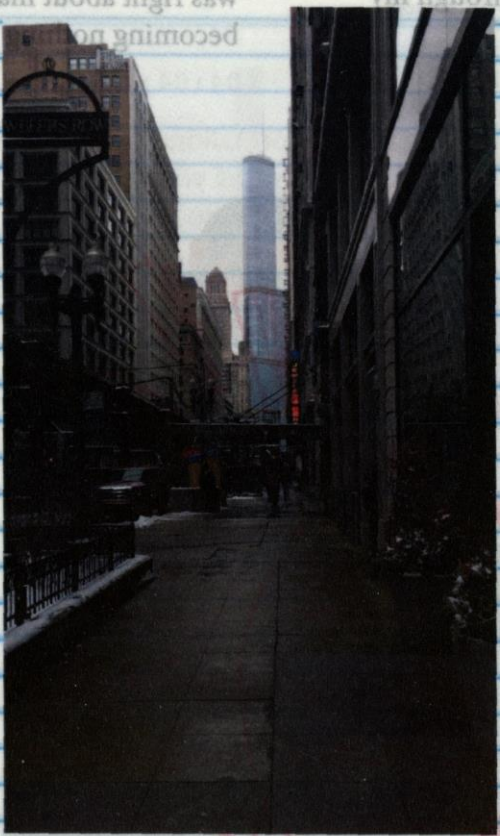

I'm not happy with anything  
I've made so far. Maybe he  
was right about maybe I am  
becoming nothing

Why do you insist I talk to him, You  
say I need him on my side. But you  
know he's never been on it so why fight  
it everytime I call he just yells how I'm  
not good enough

(10:22:21:03)  
36 hours awake wow I've  
broken my own record
