## EXPERIENCE

### Film Developer

Hamilton NJ. 2017-current

Develop film for clients in a timely manner while sending scanned images. I organize and store negatives before returning them.

### Nikon Representative

Princeton NJ. June 2015 - August 2016

I used an in-depth understanding of photography, camera gear, and photography software to sell cameras and lead photography workshops of 10-15 students. Led national sales of Nikon cameras multiple months.

### Photography Assistant

Princeton NJ. March 2014 - September 2015

I carefully maintained high-end studio equipment, helped conduct photoshoots with a professional demeanor, collaborated successfully with a variety of personalities and work styles, and improvised photographic techniques on the spot.
