"...a versatile photographer with tremendous talent, and the technical skills to match. He understands the demands and nuances of the position, and possesses the skills and maturity to deliver the very best photography to his clients."

— **Kimberley French** – Unit Stills Photographer, IATSE 669

"Robert has an encyclopedic film sense, and when he leaves off with prose he can show you with pictures."

— **Richard Edlund, A.S.C.** – Oscar-winning VFX Supervisor (original *Star Wars* trilogy, *Raiders of the Lost Ark*), founding member of ILM (Industrial Light and Magic), and 23 year Governor of the Academy of Motion Picture Arts and Sciences

"Robert's still photography was stunning, to say the least, and captured exactly what the network and distributor were looking for. I'm proud to say a montage of Robert's stills opens this movie. I can without hesitation recommend Robert for any still assignment on any type of film production."
