THE KNIGHT ROOTS

Buchanan (Buck) Knight, and his sisters' father was an Irish immigrant. The name of their father is not known, which was common during the years of slavery. Buck,s mother was Celia Knight. It appears that she carried the name of her master, Knight, but it is not certain who her parents were and from where they migrated. Celia grew up in and around Jefferson in Marion County, Texas. It was said by one of Buck's children, that Bob Knight, a fraternal uncle visited them quite often, and would only come at night. It is believed that he lived in Texarkana, Texas.

Buck Married Ella Davis, and they resided in Jefferson just off the old Colony Road. This marriage produced 8 children: 2 boys, and 6 girls. Their names were: James, Mary, Exter, Addie, Arvella, Benjamin (B.K.), Lelia, and Rosetta. Two daughters from this union married two sons of the Lemmons/McAlister union. The two males born to Buck and Ella had only girls. So far as it is known, there are no male decendants from the Buck Knight line. However, there are many grandchildren, and great-grandchildren.

Two of Buck's sisters married two brothers from the Johns Family. One of Buck's sisters, Addie, married Hardy Watson, and they had four children: Walter, Lula, Will, and JoAnn. It is believed that another sister, Anna, married a Dixon.
