ABOUT US

Nicola Cooper Photography offers unique iris photography from a private studio in Nantwich. Every eye tells a story, and we turn that into beautiful artwork you'll treasure forever.

Whether it's just you or your whole family, the experience is relaxed, fun, and something truly different.

All backgrounds are always black to enhance the vibrant colours of your iris.
You won't see your final design before it's printed — each one is artistically and uniquely created just for you.

Here are just a few examples of work..

BOOK NOW

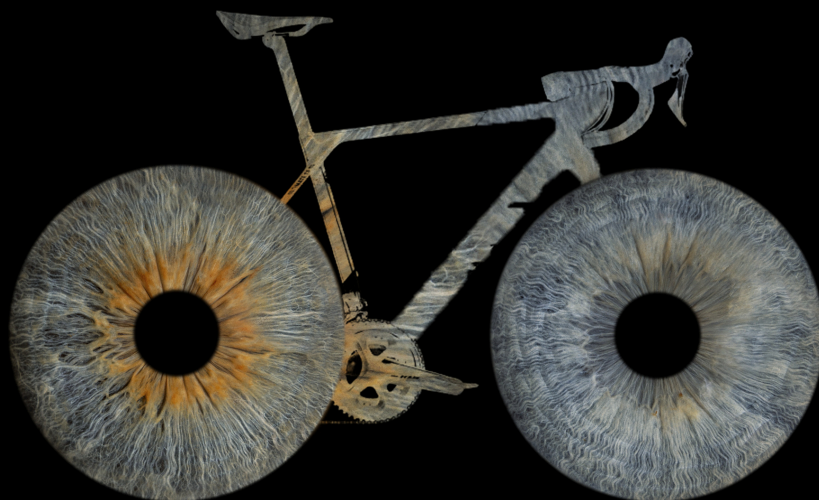

Due to the high demand for this gorgeous art, I've limited spaces available.

Please contact Nicola via whatsapp on 07968737488, she will send you a link to her calender so you can choose your shoot date and time from our availability.

Please also let us know how many people will be coming in for their Iris photoshoot

A is due upon booking to hold your date, this is purely to stop time wasters who book but then don't turn up. We appreciate your understanding.

(Should you cancel before 7 days of your shoot, you'll need to rebook and pay your deposit again, (in exceptional circumstances this can simply be moved to another date)
