PET IRIS PHOTOGRAPHY

THE BOND COLLECTION

The Bond Collection is a luxury iris photography experience celebrating the unique connection between you and your dog. By capturing your eyes side by side, this artwork tells a deeply personal story of bond, loyalty, and unconditional love.

Created in my signature fine-art style on a black background, each piece is designed to highlight the individuality of both human and dog, resulting in a timeless artwork that goes far beyond décor.

This is not simply about how your eyes look — it's about preserving the connection you share, beautifully and forever.
