1 STRATEGY

THE FOUNDATION OF PROGRESS AND SUCCESS

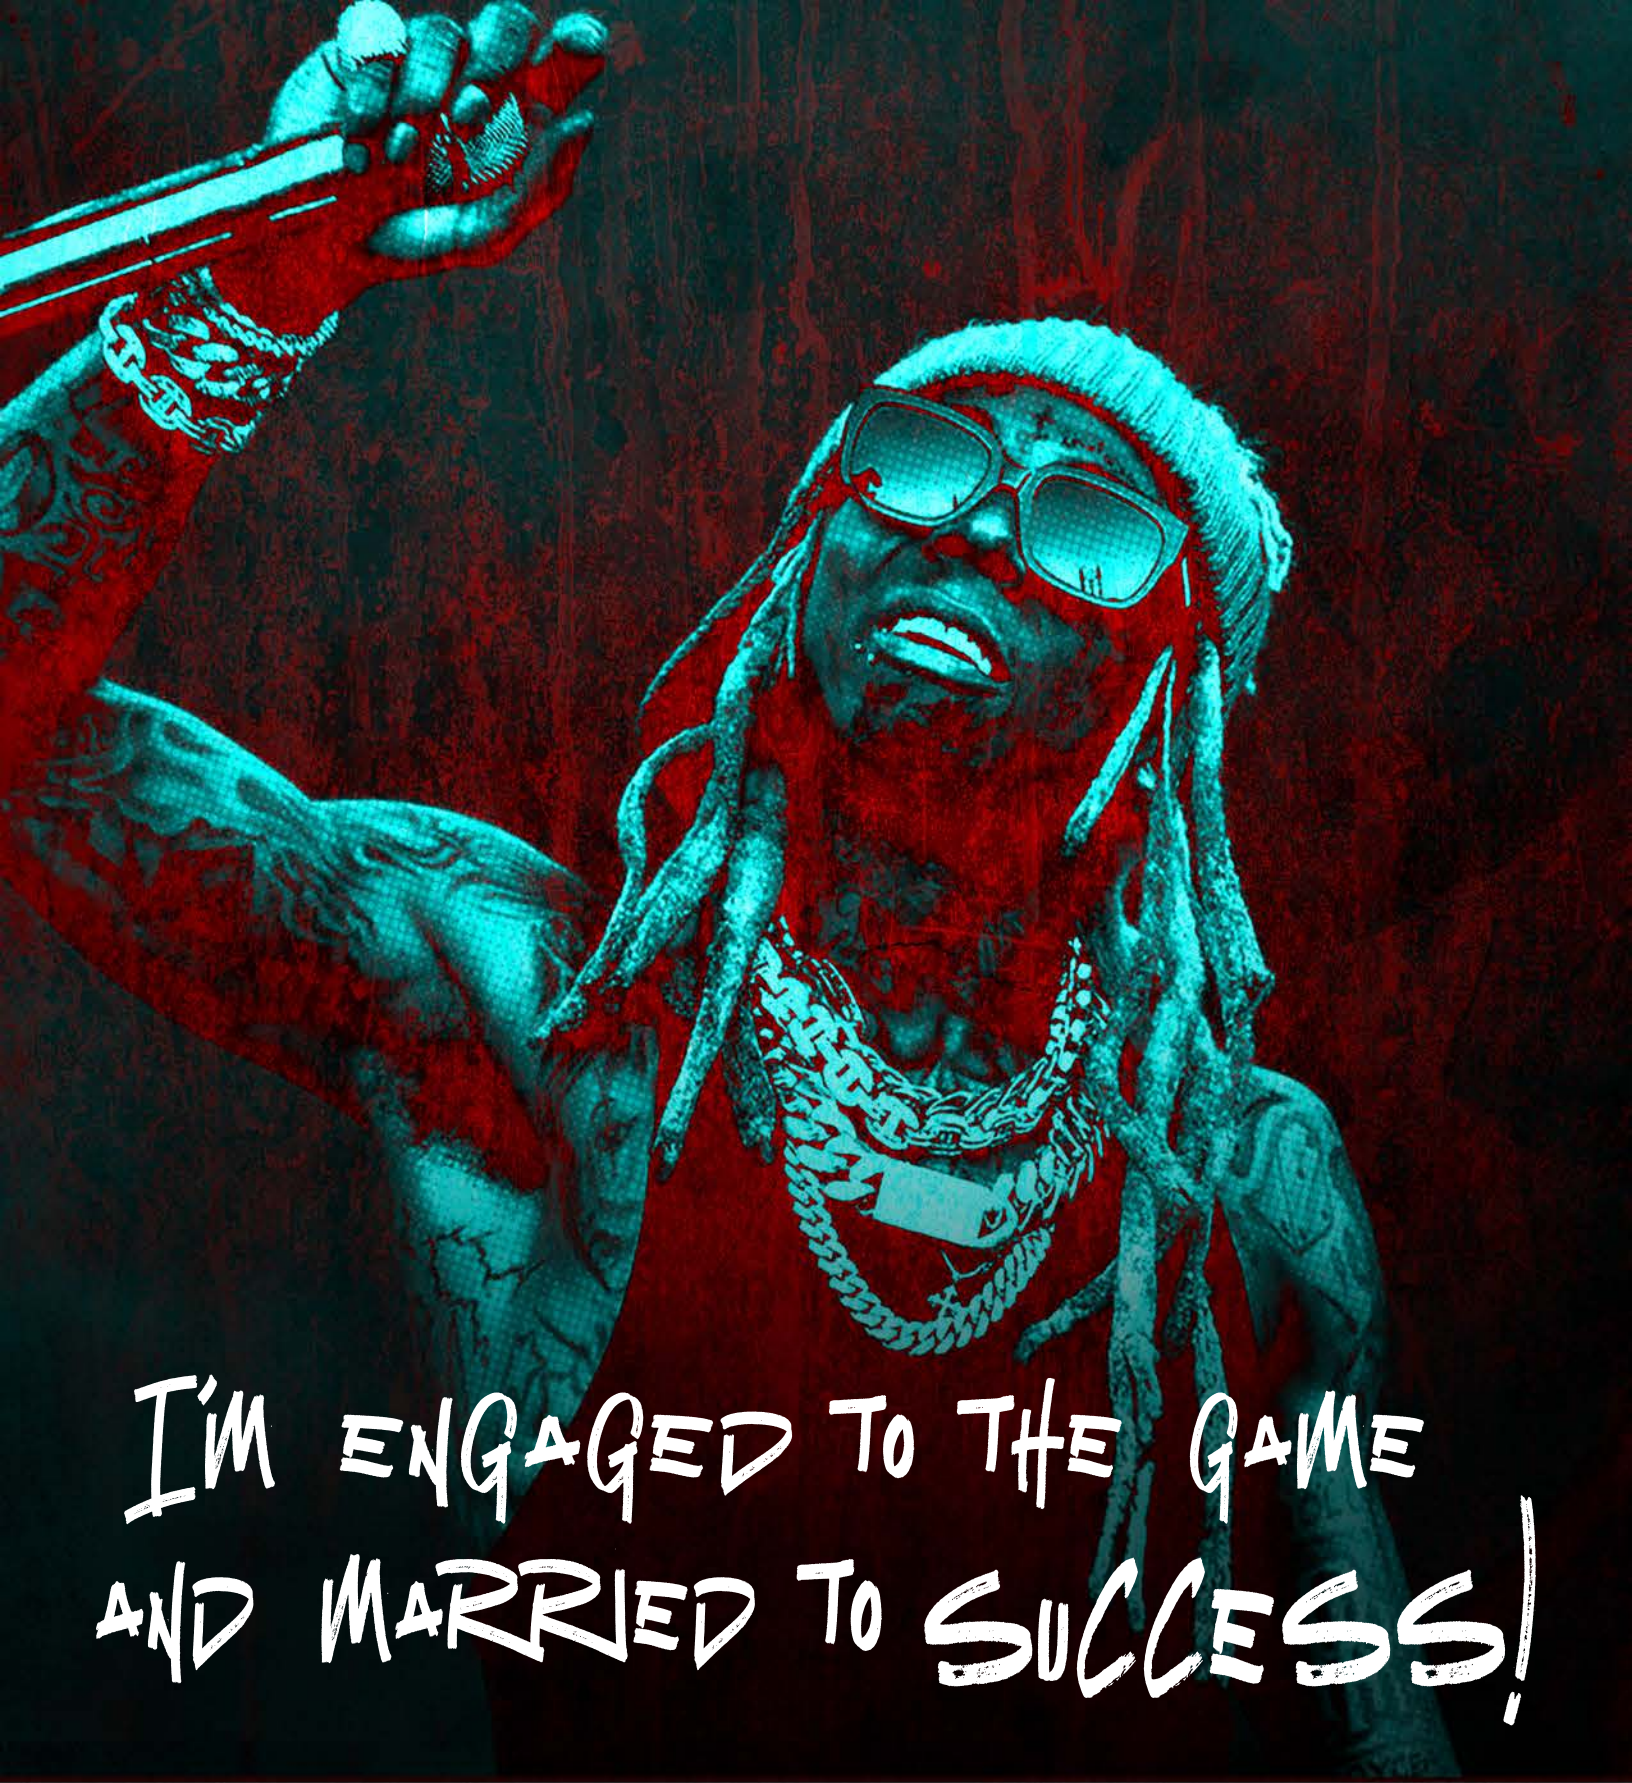

**We start by understanding your vision
and the big picture.**

Getting in tune with your business projections
and personal goals.

We'll outline a detailed plan for your entire
release campaign.

Facing challenges upfront, refining your current actions
for continued future success.

This sets us up for...

I'M ENGAGED TO THE GAME
AND MARRIED TO SUCCESS!

2 DESIGN

CONNECT AND INFLUENCE

**Now we begin to shape the frame work
of our strategy.**

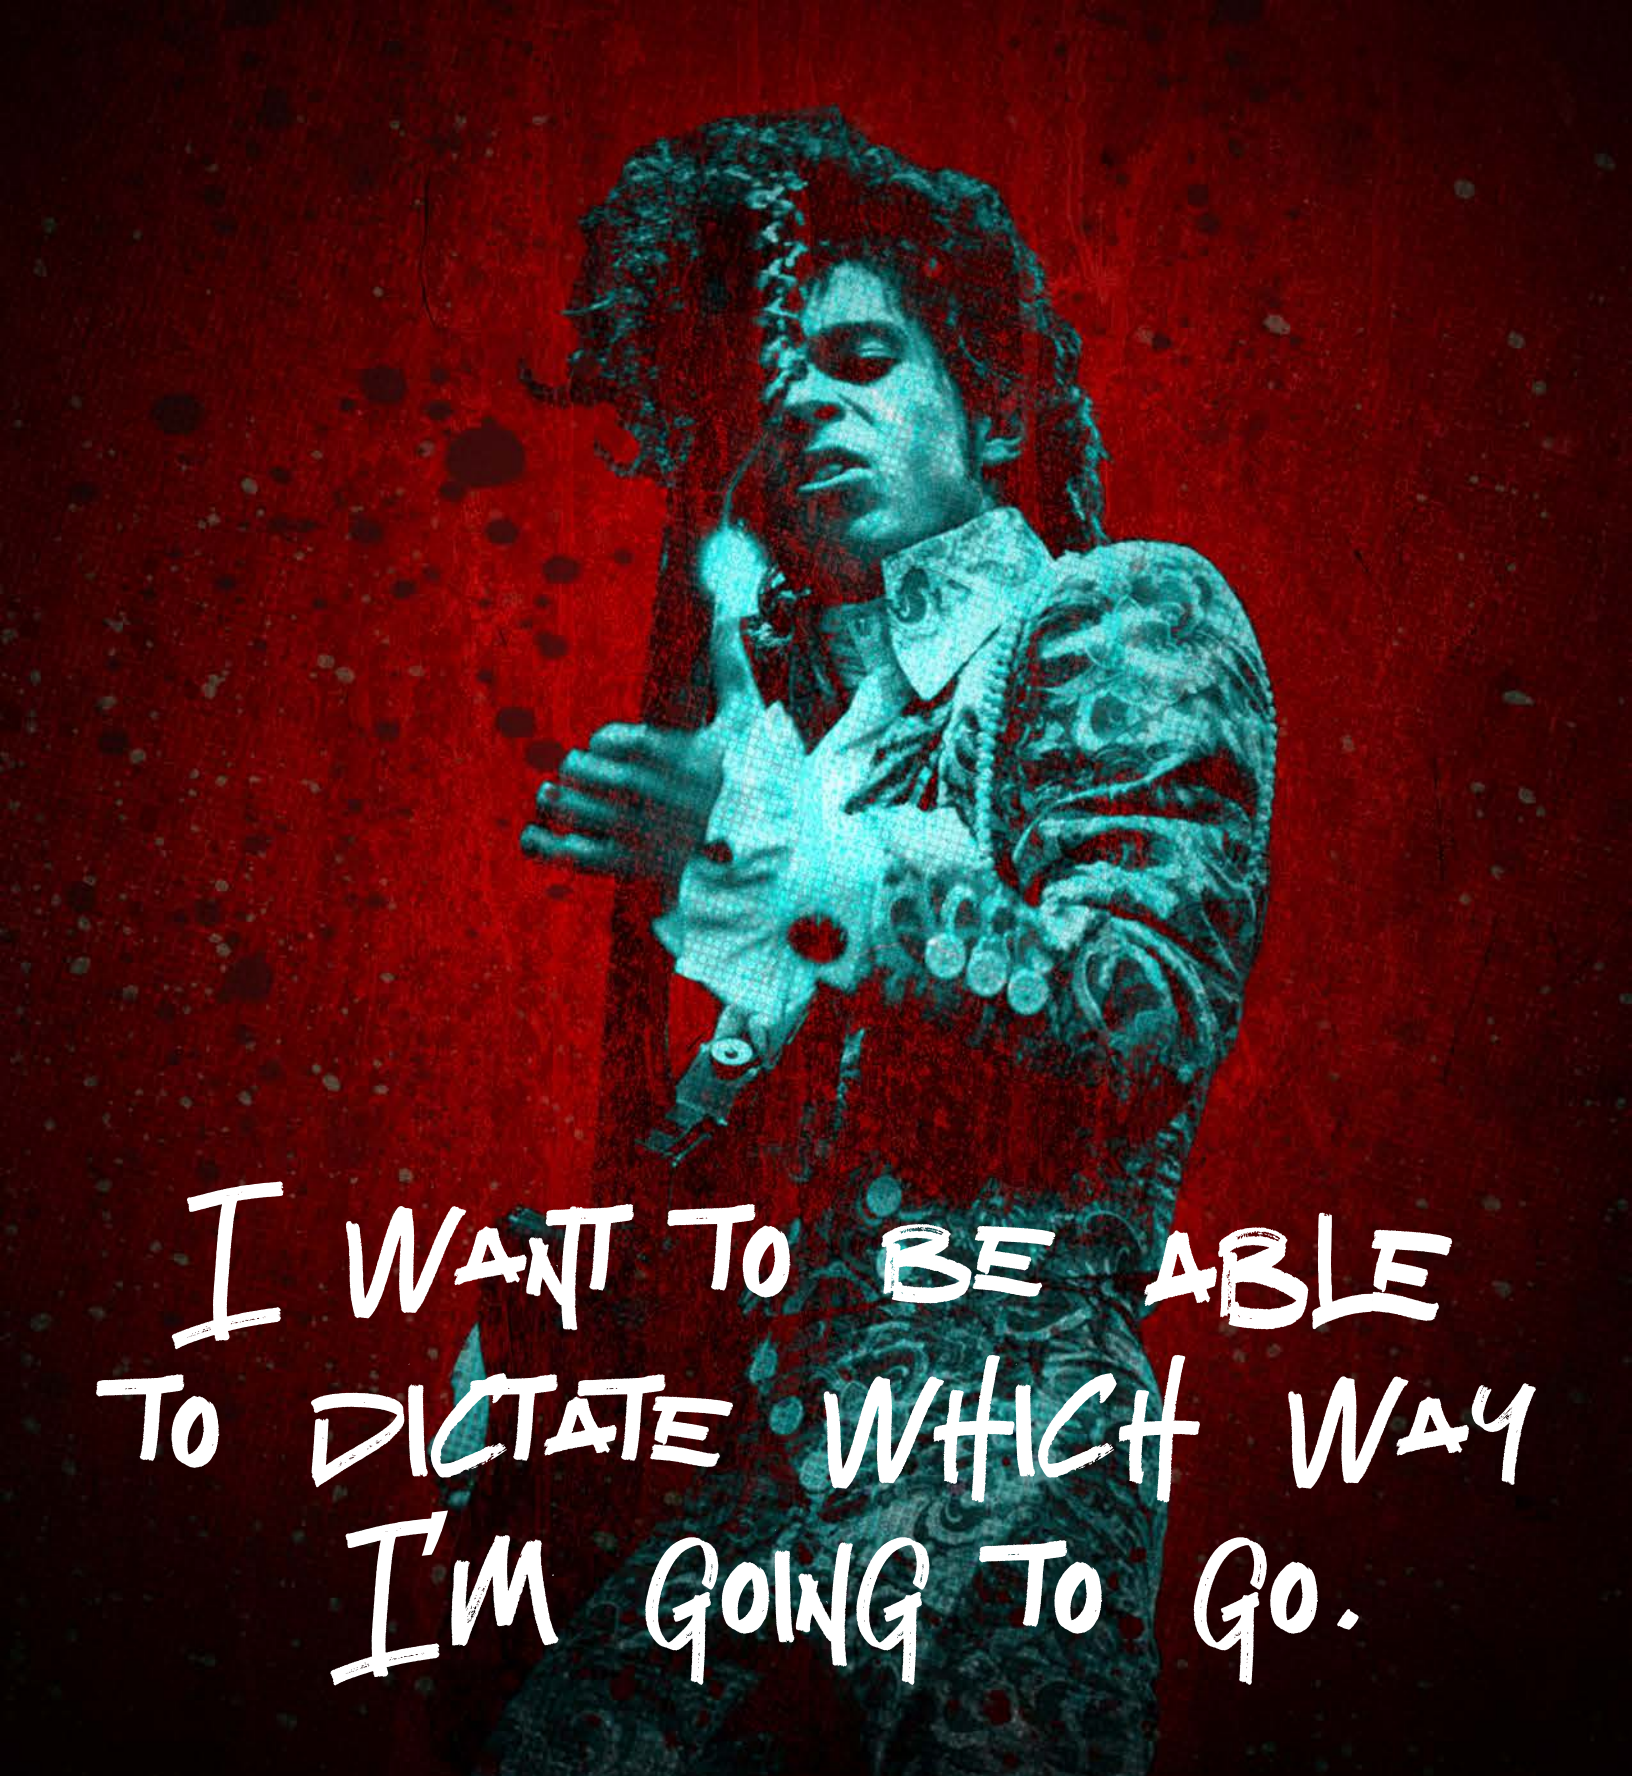

Here we develop the campaign's visual language; colors,
story, design and all multimedia imagery.

Pulling from and riffing with the proven
industry models.

Remixing and co-creating into something fresh.

Establishing your recognizable
and adoptable voice!

**When this is completed we're ready
and set up for...**

I WANT TO BE ABLE

I'M GOING TO GO.

CREATING

STANDING OUT IN A COMPETITIVE MARKET

This is the fun stuff!

Applying what we have planned and designed
into the production stages.

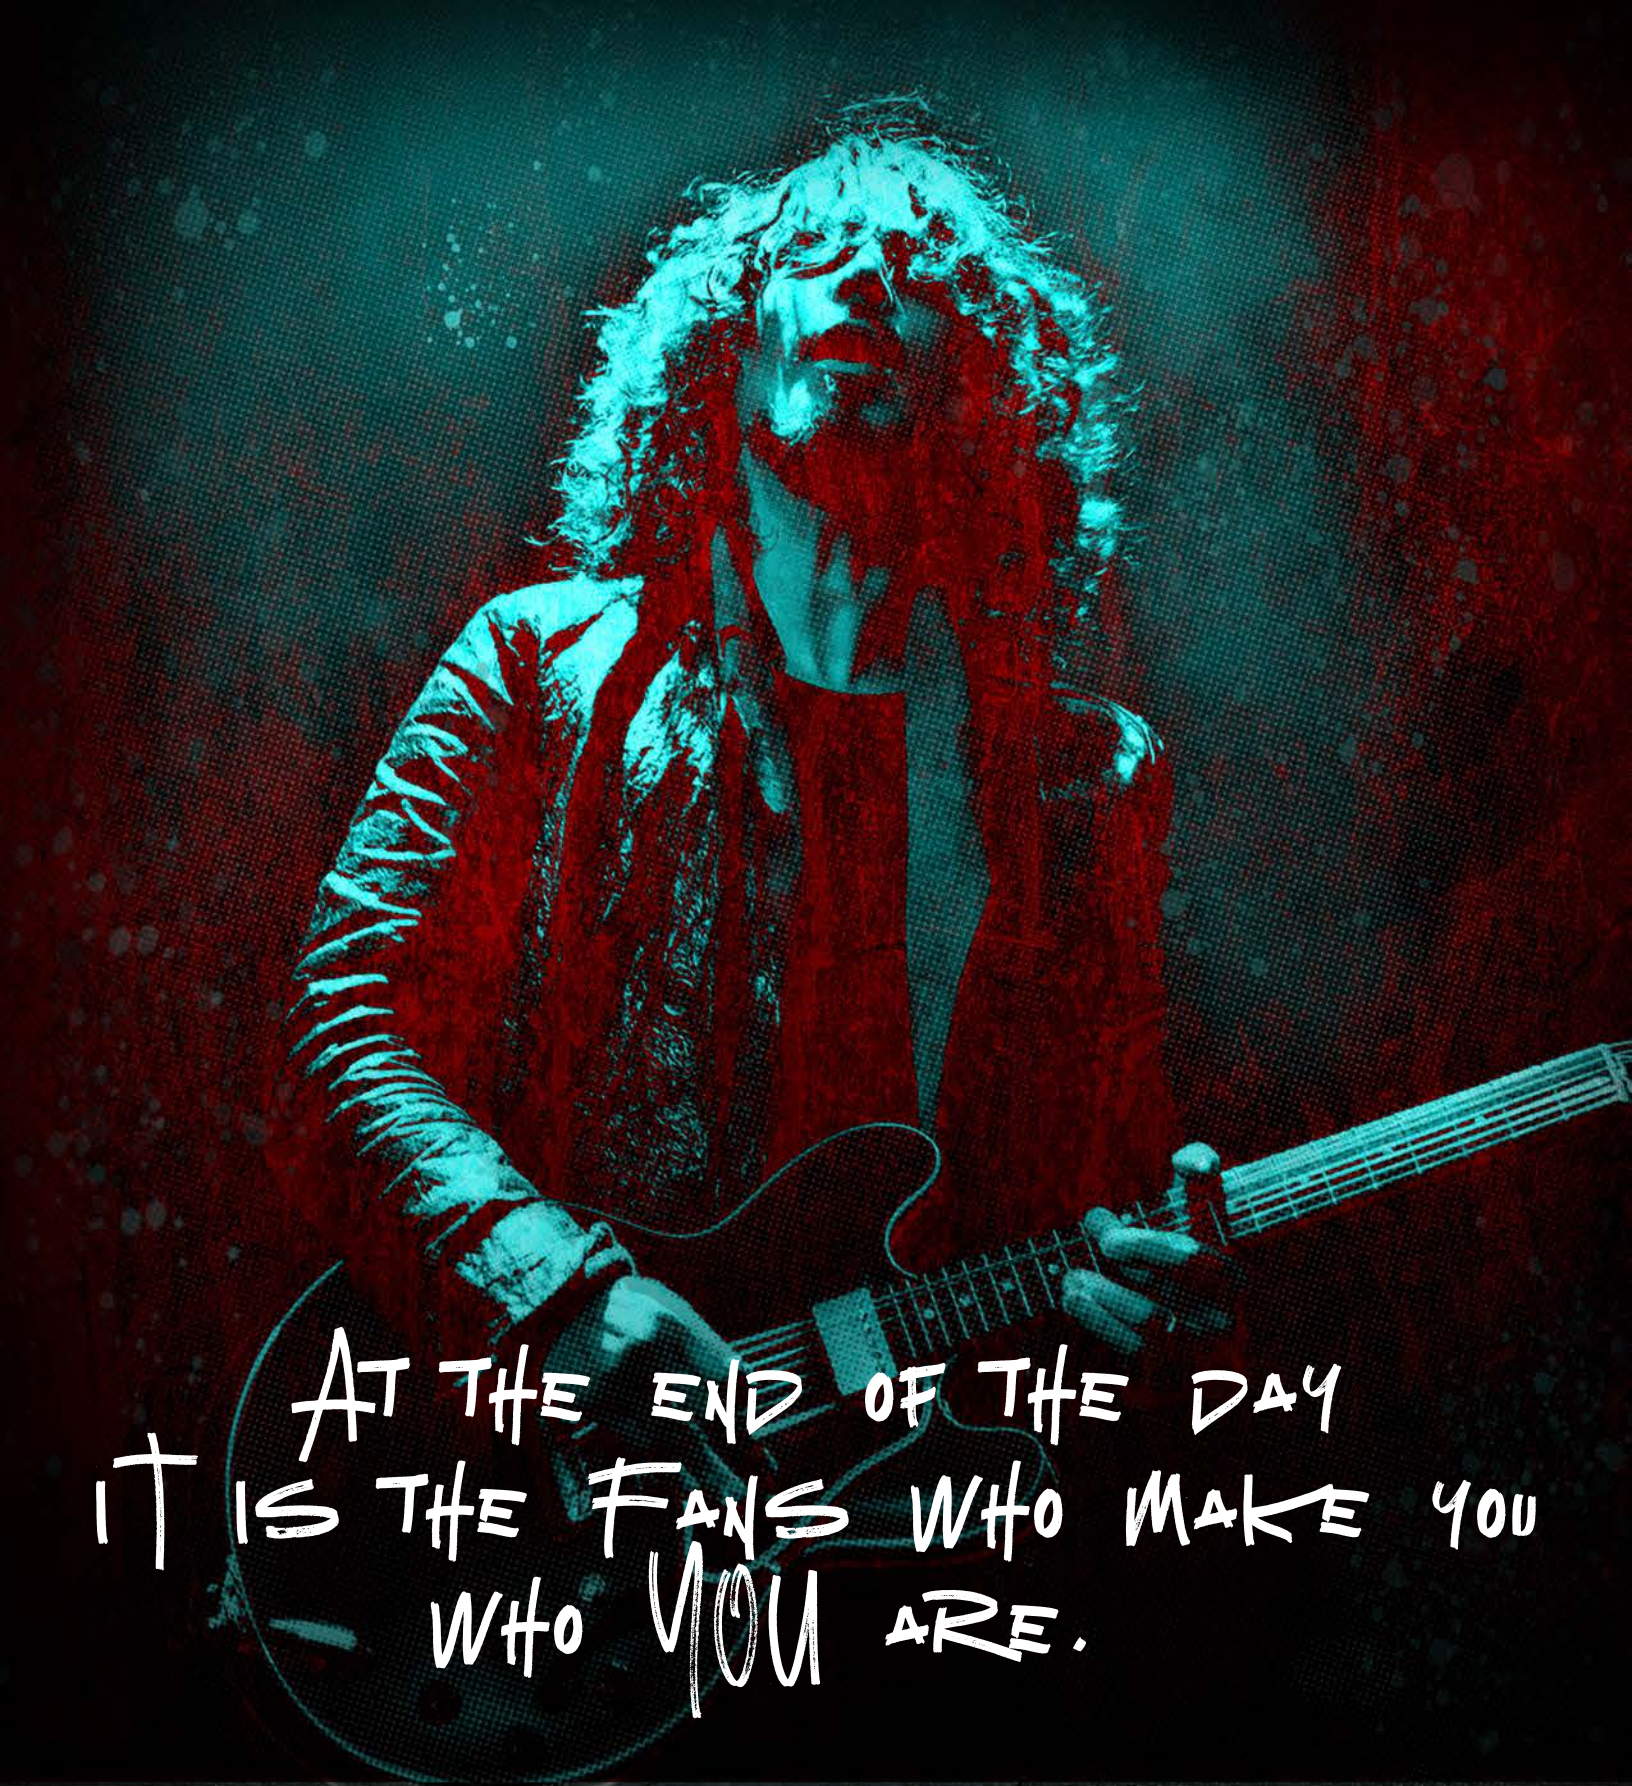

Photoshoots, videos, art and all styling!

It's never just about the single art medium.
It's always about the artistic interplay,
pulling in all others as we go.

This is what we do naturally; creating the dope shit,
with the potency of strategy.

It's the foundational bedrock of all success.

**Now we have cultivated everything
we need for...**

AT THE END OF THE DAY
IT IS THE FANS WHO MAKE YOU
WHO YOU ARE.
