## RELATED PROFESSIONAL EXPERIENCE

### Senior Graphic Designer, Yale University Office of Development

New Haven, CT | 2017–Present

Senior member of the marketing and communications team that supports all fundraising units, fourteen graduate and professional schools, and the president's office during the university's \$7 billion capital campaign. Hired as an associate graphic designer and promoted within three years. Served as interim director twice during which I managed the design team's workflow, reviewed work, and participated in strategy and planning meetings.

- Conceptualize and design postcards, self-mailers, newsletters, brochures, cards, and email campaigns
- Design invitations, programs, menu cards, and signage for events honoring the university's top donors
- Develop, design, and maintain the department's websites
- Take and source photography for print and digital marketing materials
- Develop and maintain mutually beneficial relationships with external vendors and internal project partners
- Manage print projects, including obtaining and preparing cost estimates and combined pricing options, proofreading, reviewing color proofs, and attending press checks
- Educate colleagues and advocate for the consistent use of university brand and digital accessibility guidelines
- Identify and communicate with key stakeholders and project partners about proposed project schedules, project details, important milestones, potential challenges, and coordinate multiple layers of approvals
- Lead project meetings to elicit design and content needs; coordinate with colleagues on next steps to bring project to completion
- Assist with improving procedures, workflows, and mentoring junior team members

### Freelance Graphic Designer

2016–Present

- Design print marketing materials, social media posts, and email campaigns; develop an updated website design and strategy; and draft copy for marketing materials for a bioscience company
- Conceptualize and design illustrations for continuing medical education course marketing materials
- Design packaging labels for a local garden center
- Develop signage, posters, email campaigns and other marketing materials to support a local political campaign and a citizens advocacy group

### Graphic Designer, JBauer Design

New Haven, CT | 2015–2017

- Designed branding and marketing materials for a major cancer hospital's continuing medical education courses including brochures, posters, handouts, and digital graphics
- Developed branding for small companies including logos, stationery, and brochures
