CALEB BARLOW

VIDEO PRODUCTION CONSULTANT

PROFILE

Dynamic video professional with a strong passion for leveraging film to drive business objectives and engage audiences. Trained at Chico State, and Stuttgart Media University, I honed my communication, production, and editing skills to create compelling visual content that resonates both internally and externally. My expertise lies in conceptualizing and planning video projects closely with clients, ensuring that each piece tells a captivating story while achieving strategic goals. With a keen eye for detail and a drive for innovation, I am ready to deliver impactful video solutions that elevate brand presence and inspire action.
