EDUCATION

- 2015 – 2016 MA Fine Art, Arts University Bournemouth
2012 – 2015 BA (First Class Hons) Photography, Arts University Bournemouth

PERSONAL PROFILE

Holly Hennessy is a London based filmmaker (b. 1993). Her practice arises from visual observations and interrogates the gap between the viewer and the viewed, the subject and the filmmaker. Her films interweave documentary, fictional and portraiture elements demonstrating the relationship between herself and the subjects displayed. Her work often examines the interrogative nature of the camera and can become uncomfortable to watch.
