Brenden *visuals*

Automotive photography and videography

Prices in CAD

Montreal, available worldwide

Approach

The car and the feeling, *above all else.*

The eye, the shooting, and the direction come from the team. Stills are the core, shot on Sony. Video is primarily a two person job, both shooters credited, cinematic by default. Drone and FPV come out when the conditions earn it.

Recognized by BMW, Audi, Porsche, and Aston Martin. Commercial work delivered for Volvo Canada, dealerships, and private clients.

brenden visuals

Editorial photo sessions for your car. Simple to book, priced by tier.

\$265

Base

15 edited photos. One hour, one location.

A relaxed around town shoot. The essentials, done properly. Social media use included.

\$425

Plus

Everything in Base, plus one 20 second reel.

Travel

\$1,600

per shoot day

Any shoot type, anywhere. Two shoot day minimum per trip.

Transit days are not charged. Flights for fly out and fly back days are covered by the client.

The client covers expenses, confirmed in advance: flights, meals from \$60 USD a day, accommodation rated 3.5 stars or higher, and a rental car with gas when it is needed to get around.

Based in Montreal. Available worldwide.

Both shoot, both edit, both credited. Cinematic by default.

\$350

Base

One reel.

One hour shoot. Thumbnail and one revision. Five day delivery.

\$550

Plus

Two reels.

Two hour shoot. Thumbnails and one revision. Seven day delivery.

\$1,500

Curated Film, from

A cinematic piece, two to five minutes.

One shoot day and the edit. Starts with a planning session. Scales with concept, extra days, locations, or FPV.

Custom

Bigger productions.

Multi car features, multi day builds, unique locations, special concepts.

Every custom job starts with a short consultation and a plan. Priced per project, outside standard turnaround.

The Details
