WORK EXPERIENCE

06.2024 – 06.2025

Cubique, Basel

Postproduction, Photography, Content Creation

Additional responsibilities to the ones continued from my internship:

- Editing and color grading videos in Davinci Resolve for clients and intern projects. *Type of videos include After Movies for Events, Trailers for Dance Productions, Audiovisual/Experimental Videos, Interviews and Behind the Scenes for projects.*
- Documentation in form of Photography, Film and vertical videos for social media. *This includes Events, Shootings and Cubique project processes.*
- Creating and posting engaging Social Media Content with iPhone for clients, *entailing Recap Reels, short form Interviews and story uploads on site of Events.*
- Co-edited a Music Video bringing my own creative ideas into it.
- Coordinated and worked with other creatives in joint projects, contributed to organizational aspects and got deployed for one person jobs.
- Proof read and edited subtitles in German and English for Interviews on Youtube.

03.2024 – 06.2024

Cubique Internship (40%), Basel

Assistant Film-and Photoproduction

- Assisted on photo and film sets as runner, data wrangler and helping hand.
- Independently created behind the scenes in Form of Photography & Vertical Videos for social media postings.
- Edited Photos in Lightroom and Photoshop according to the style requested.
- Photographed at diverse Events with different formality range as first or second shooter, capturing the essence of it.

03.2024 – 06.2024

Knopp + Kniel Internship (60%), Basel

Animation & Motion Graphics

06.2024 – present

- Contribution to Visual Development for Concert Visuals for Klischée's Concert Tour
- Created Animation loops in low frame rate style, hand drawn with a mix of overlays and occasional rotoscoping, efficiently adjusting it to developed style.
- Animated simple Motion Graphics in After Effects for social media

2022 - 2023

OH NO – Graduation Movie

Sound Design, 3D Modeling, Set Design, Character Design

Education

2019 – 2023

HSLU Lucerne Art & Design

Bachelor of Arts in Animation

- Learned and applied Industry standard Pipeline in Animation from Storyboarding to Postproduction

2018 - 2019

Preparatory Design Course, Lucerne
