

MICHAEL THOMAS STEWART

PhD candidate • Caesar Kleberg Wildlife Research Institute, Texas A&M University-Kingsville
Alice, TX 78332 • Tel: +1 903 467 7604 • E-mail: michael.stewart@students.tamuk.edu

Expertise: Avian field methods & monitoring, wildlife capture & telemetry, spatial analysis, demographic modeling, research communication

ACADEMIC QUALIFICATIONS

2022–current	PhD projected 2027 Wildlife and Rangeland Sciences <i>Texas A&M University-Kingsville – Kingsville, TX</i> Supervisor: Dr. Ashley M. Tanner Dissertation title: Habitat use, population demographics, and migration ecology of Gray Hawks in the southwestern United States
2019–2021	MS awarded December 2021 Biology GPA: 3.91 <i>University of Texas Rio Grande Valley – Edinburg, TX</i> Supervisor: Dr. Timothy Brush Thesis title: Home range dynamics and juvenile dispersal of Gray Hawks in the Lower Rio Grande Valley
2017–2018	GCert awarded May 2018 Graduate Certificate in Geographic Information Systems GPA: 4.00 <i>North Carolina State University – Raleigh, NC</i>
2012–2015	BS awarded December 2015 Fisheries and Wildlife Science GPA: 3.63, <i>cum laude</i> <i>Oregon State University – Corvallis, OR</i>
2011–2012	MBA awarded October 2012 Master of Business Administration GPA: 3.76 <i>Webster University – St. Louis, MO</i>
2008–2009	BSAST awarded September 2009 Nuclear Engineering Technology GPA: 3.60 <i>Thomas A. Edison State College – Trenton, NJ</i>
2001–2003	BS awarded January 2003 Human Resources GPA: 3.13 <i>New School University – New York, NY</i>

PROFESSIONAL EXPERIENCE

2006–2019 **Chief of Public Affairs Plans and Operations for US Army South**
United States Army
Senior culminating assignment following service across the Field Artillery, Adjutant General Corps, and Public Affairs career fields, with progressive leadership responsibilities in operations,

	personnel, and strategic communication within joint and multinational environments.
1999–2006	Supply Officer for USS Pelican (MHC-53) <i>United States Navy</i>
	Commissioned officer role following enlisted service in the Navy Nuclear Power Program, including instructional service at the Nuclear Power Training Unit, Ballston Spa, NY, and technical assignments as a machinist's mate and engineering laboratory technician.

PROFESSIONAL LEADERSHIP ROLES AND WORKING GROUPS

2025–present	Diversity, Equity, and Inclusion committee for the Raptor Research Foundation
2020–present	Membership committee for the American Ornithological Society

GRANTS, AWARDS, & SCHOLARSHIPS

Grants & Research Funding

2024	US Fish & Wildlife Service research grant	\$10,000
2024	The William Burnham Memorial Fund of The Peregrine Fund Project title: Investigating Migratory Patterns and Population Dynamics of Threatened Gray Hawks in Texas	\$5,000
2024	Texas Ornithological Society research grant	\$584

Fellowships & Competitive Awards

2026	Rob and Bessie Welder Wildlife Foundation Fellowship	\$22,000
2024	BioOne Ambassador Award	\$1,000

Scholarships & Honors

2025	South Texas Quail Coalition Scholarship	\$2,000
2025	Alec D. Ritzell Memorial Education Scholarship	\$1,400
2024	South Texas Quail Coalition Scholarship	\$500
2024	C.R. and Rebecca Palmer Graduate Student Scholarship in Wildlife Management	\$1,300
2023	C.R. and Rebecca Palmer Graduate Student Scholarship in Wildlife Management	\$1,320
2023	South Texas Quail Coalition Scholarship	\$975
2009	Thomas Edison State College's Arnold Fletcher Award for exceptional achievement in independent learning	
2002	United States Navy's Master Training Specialist designation	

TEACHING EXPERIENCE

2025	Guest Lecturer Wildlife Management Techniques (RWSC 3310) <i>Raptor trapping techniques</i> Texas A&M University-Kingsville, Kingsville, TX
2023	Guest Lecturer Wildlife Management Techniques (RWSC 3310) <i>Raptor trapping techniques</i> Texas A&M University-Kingsville, Kingsville, TX
2001–2003	Instructor Naval Nuclear Power Training Command, Ballston Spa, NY Engineering Laboratory Technician (NEC 9502)
