EXPERIENCE

Freelance Interior Designer & Consultant | 2025–Present

- Provide project-based design support to New York interior design studios on residential and commercial projects, including FF&E sourcing, spatial planning, concept development, and color, material and lighting direction
- Work directly with residential clients in the US and Canada on interior redesigns, developing spatial plans, kitchen and bathroom concepts, furnishing schemes, finish selections and overall design direction
- Develop concept boards, material palettes and color stories, and source antique, vintage, contemporary and custom furnishings, lighting, textiles and decorative objects in response to each project's aesthetic, functional and budget requirements

Real Estate Agent - Compass, Los Angeles | 2015–2024

- Advised residential and commercial clients across sales and leasing, facilitating transactions and leading complex deal negotiations involving buyers, sellers, landlords, tenants and other stakeholders
- Worked closely with designers, contractors, inspectors and other professionals on properties ranging from new construction and historic homes to commercial renovations and build-outs

Executive Assistant & House Manager, Los Angeles & New York | 2012–2014

- Managed day-to-day personal and household affairs for a high-profile client, including complex scheduling, travel, correspondence, appointments, events and coordination with a wide range of professional and personal contacts
- Oversaw residential renovations and improvements, coordinating contractors and vendors, sourcing furnishings, and assisting with property acquisitions and leasing

Art Handler & Logistics Coordinator - LA Packing, Crating & Transport, Los Angeles | 2010–2012

- Handled, installed, and coordinated the transport of artworks and other high-value objects for museums, galleries, artists and private collections

Additional Experience | 2006–2015

- Studio Assistant for artists Shepard Fairey, Lita Albuquerque, Cayetano Ferrer & Val Kilmer
- Gallery Assistant at The Company, Los Angeles & Klosterfelde, Berlin
- Curatorial Assistant at High Desert Test Sites, Joshua Tree & the Embassy of Sweden, Berlin
