

LA Asian Migrant Sex Worker Outreach Fund

Our goal is to raise \$8000 to provide outreach support for Asian migrant massage workers, connecting them with cash assistance, care and self-defense kits, multilingual resources and information about immigrant and workers' rights, and to build relationships with and among workers. Additionally, these outreach events will allow us to learn about the workers' needs and mobilize support systems to address those needs.

Study Trip to Build LGBTQ Youth Shelter in Korea

Street Counseling (Phase I) of Rainbow Teen Safe Space will offer a multi-dimensional support system by providing crisis intervention, counseling teens for socio-psychological pain and trauma, and restoring relationships between queer teens and their parents/peers. We will create a Safe Space so that queer teens can feel accepted and affirmed.

Stripper Action Fund

On Friday, March 18th, 2022, dancers working in the North Hollywood strip club Star Garden presented to the owners a petition signed by 15 out of their 23 coworkers demanding an end to retaliatory firings and bad club policies that put their safety at risk. As the lock out continues, your generous donations are as important as ever for sustaining us in this fight. We are especially grateful for recurring donations. Our weekly fundraising goal is \$5,000 (\$20,000 for one month).
