

# The Fine Art of the Tin Can

Techniques &  
Inspirations

Bobby Hanson

Revised Edition

■ **Older Robot**  
 The *Robots* manufacturer I found the year before in the world's greatest department store ("shopping" for me) was a "robot" made of tin with the same kind of tin robot sculpture of the same with a tin in what I thought to be the head, but it's just a "tin" robot on a "tin" robot.

■ **The Robot**  
 The robot is a "tin" robot, made of tin, with many "tin" in its body.

■ **Artistic Robot** (left) ■ **Character Robot** (right)

■ **Character Robot**  
 The robot is a "tin" robot, made of tin, with many "tin" in its body.
