"HUGE LEG UP OVER YOUR TYPICAL FLA VOUR-OF- THE-WEEK DIVA."

THE STAR
MALAYSIAN NATIONAL DAILY

With a dynamic range that defies genres, Penang-born nightingale BIHZHU is blessed with a rich, soulful voice that is hauntingly evocative one moment, and spiritedly rousing the next.

Bihzhu's genuine songcraft transcends pain and heartache to celebrate life, and love.

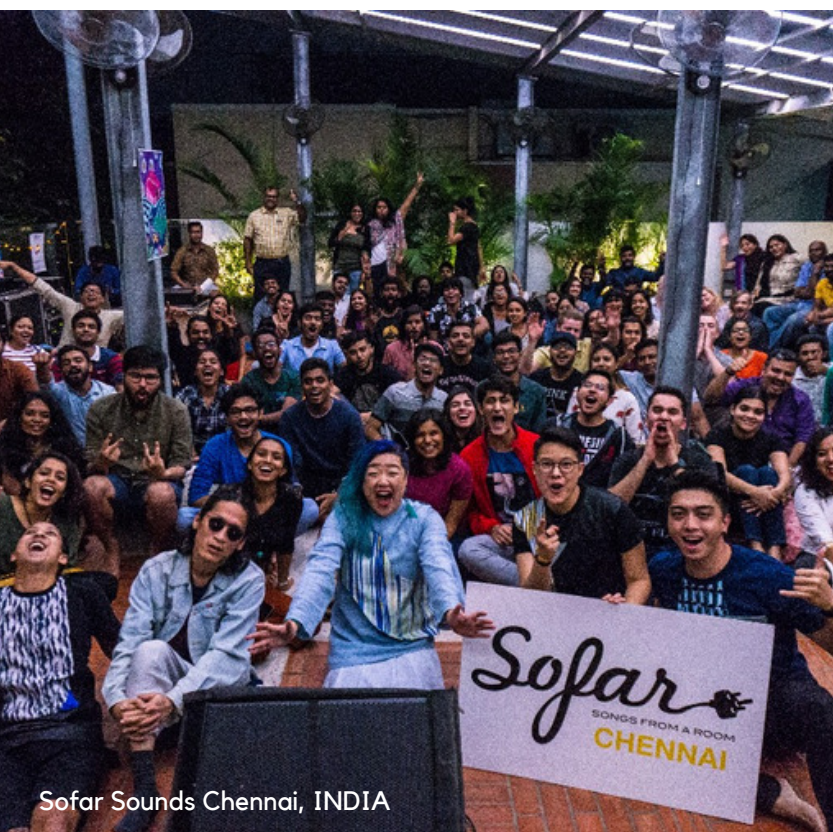

Whilst her enchanting brand of "heart music" charms its way to your emotional core, her signature harmonies and uplifting vibes have left audiences finger-snapping, foot-tapping, and dancing; whether at intimate acoustic concerts or at music festivals all over Malaysia, Australia, South Korea, China, Indonesia and India.
