

NOWNESS

Bihzhu

Produced by Melina William

[Verse 1]

The stars aligned
When you read me with your eyes
Our hearts obliged
The calling of a thousand past lives

[Pre-chorus 1]

But that was then
And this is now
We can't pretend
That we know how

[Chorus 1]

Say goodbye to yesterday
The past stays in its place
This is true eternity
This is us, today

[Verse 2]

We were swept away
By this burning cosmic wave
I was afraid
As you moved the galaxies across my face

[Pre-chorus 2]

I couldn't tell
How long we'd stay
No wishing wells
Even seers, they make mistakes

[Chorus 2]

No need to seek tomorrow
Or build houses in the sky
This is true eternity
Here, now, you and I

[Bridge]

No guarantees no money back
No guarantees no money back
No guarantees no money back
No guarantees no money back

[Chorus 1]

Say goodbye to yesterday
The past stays in its place
This is true eternity
This is us, today

[Chorus 2]

No need to seek tomorrow
Or build houses in the sky
This is true eternity
Here, now, you and I

[Chorus 1]

Say goodbye to yesterday
The past stays in its place
This is true eternity
This is us, today

[Chorus 2]

No need to seek tomorrow
Or build houses in the sky
This is true eternity
Here, now, you and I
