## Introduction

As a project manager with over a dozen years of agency experience, I excel at overseeing diverse projects and ensuring successful execution across broadcast, digital, social, and print. I thrive in dynamic environments and manage cross-functional teams — creative, account, production, and client — for brands such as General Motors, Stellantis, Owens Corning, StockX, Henry Ford Health, and others. My commitment to delivering high-quality work consistently exceeds client expectations, and I have played a key role in numerous new-business pitches.

## Experience

- Monks** *Senior Project Manager*

2024 -

In my hybrid PM, Producer, and Client Services role at Monks, I oversee advertising campaigns for General Motors — Buick, ensuring seamless execution from concept to delivery. I manage timelines and coordinate resources across integrated teams to meet client objectives and adapt to the evolving needs of the automotive industry.
- Lafayette American** *Senior Project Manager*

2022 - 2024

Managed internal and external projects from inception to completion, delivering outputs across multiple media formats. Collaborated with multidisciplinary teams—including creative, account, and production—using a variety of tools. Supported client communications and project needs for brands such as RAM, Owens Corning, and StockX.
- Doner** *Senior Project Manager*

2017 - 2022

Oversaw creative projects, delegated tasks, managed approvals, and organized asset storage. Played a key role in setting timelines and coordinating with account teams. Delivered diverse assets for Tier 1 and Tier 2 automotive advertising for Stellantis brands, and supervised award entries and case-film production across the agency’s full portfolio of brands and clients.
- Campbell Ewald** *Creative Operations Specialist*

2014 - 2017

Assisted account leads and creative teams with brand projects, ensuring timely delivery and adherence to standards. Collaborated with managers on timelines, award entries, and case-film production.
