

HELLO!

I'm a photo editor and photographer originally from Rochester, New York, now based in New York City. I have five years of experience in editing and photographing, freelance and on commission. I've acted collaboratively as stylist, photographer, editor, and retoucher for marketing programs such as NYC Restaurant Week, as well as photographing interiors, creating travel imagery, and commissioned portraits. I earned a BFA from the Rhode Island School of Design in 2012, and have lived in Brooklyn since.

TRAVEL & TOURISM

As Senior Photo Editor of NYC & Company, I provided photography direction for a re-branding of nycgo.com in 2016, including an overhaul of image-based style guidelines. I oversaw all editorial-based photography content and provided imagery to internal and external stakeholders, including the press and travel industries. I acted collaboratively as stylist, photographer, editor, and retoucher for marketing programs such as NYC Restaurant Week, See Your City, and NYC Broadway Week, among others. I was the lead photographer for the NeighborhoodxNeighborhood and Insider Guide programs, while simultaneously managing a fluctuating staff of ten, including Assistant Photo Editors, occasional freelance editors, and a roster of freelance photographers.
