What to Expect

- Unlike larger tours you will be part of a smaller group with plenty of time for one-on-one time to discuss camera settings, composition, visual direction and your love of landscape photography.
- The longest drive is around an hour, so you will have time to sit and absorb the landscape without the need to rush to the next location.
- The itinerary is a guide, and we may change locations based on weather and changing photographic opportunities.
- We aim to get you to the right place at the right time. It doesn't matter if you are a beginner or a seasoned professional, everyone is welcome. Enjoy building your knowledge and sharing a passion for image making.
