## The Cost

**\$2,990** per person with a \$750 deposit to secure a place  
Non photography partners welcome at a discount rate

## What's Included

- **Share Accommodation** for 4 nights in Skymirror Villa
- **Breakfast**, Coffee + Make your own lunches
- **Transport** to all photo shoots or tag along if you prefer
- **Tuition** with Robin Moon and Timothy Moon

## What's Not Included

- **Transport to and from Sealake.**  
When travelling from Sydney we usually overnight in Narrandera to break up the drive. Narrandera has a great dark sky and grain silos for Astrophotography.
- **Dinner**
- **Optional Light Plane Flights**
- **Insurances**

## What to Expect

- Unlike larger tours you will be part of a smaller group with plenty of time for one-on-one time to discuss camera settings, composition, visual direction and your love of landscape photography.
- The longest drive is around an hour, so you will have time to sit and absorb the landscape without the need to rush to the next location.
- The itinerary is a guide, and we may change locations based on weather and changing photographic opportunities.
- We aim to get you to the right place at the right time. It doesn't matter if you are a beginner or a seasoned professional, everyone is welcome. Enjoy building your knowledge and sharing a passion for image making.

## Group Size

- A minimum of 4 participants with a maximum of 6

## Skill Level

- Beginners to Professionals

## Fitness Level

- All levels of fitness can be accommodated.

## What To Bring

- Camera            Whatever you have.  
We also help with iPhone photography.
- Remote            A remote control for your camera to reduce shutter shake.
- Filters             ND 6 for sunrise  
Night Filter for astrophotography.
- Tripod             Sunrise, sunset and astrophotography.  
Plastic bags to protect tripod feet in the salty water.
- Lenses            14-24mm for wide landscapes  
12mm f/2.8 for astrophotography  
70-200mm for details and wildlife
- Silicon Hood      For optional light plane flights  
<https://www.ijc.cc/index/goods/detail.html?id=1045>
- Drone             Spare batteries and in-car charger
- Gumboots        Muddy edges of the salt lakes
- Insect repellent + sunscreen
- Head torch with a red light
- Laptop with Photoshop or Lightroom
- A passion for image making
