FREQUENTLY ASKED QUESTIONS

Q: What sets you apart from other photographers?

A: With years of training under my belt, I know how to (naturally) pose and guide couples to make them feel relaxed while looking their very best. I use natural lighting as often as possible and my approach is unintrusive, intimate & fun!

Q: Will we get the printing rights to our photos after our wedding?

A: Yes! Upon receiving your images, you have full permission to print your images and share as you wish.

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too.

Q: Will our photos get featured in a magazine or blog?

A: While many of my weddings do get featured, this isn't something that is guaranteed.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images and as a general rule, if it is something that isn't 'normally there', I will remove it. This includes things like spots/blemishes or unsightly exit signs in the background.

FREQUENTLY ASKED QUESTIONS

Q: Do you have a list of videographers you have worked with and can recommend?

A: Yes! I have worked with some of the best videographers in the industry. I highly recommend the following:

[Zade](#)
[Fox Films](#)
[Alessandro Pardi](#)

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my professional vendors, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: What equipment do you use?

A: I use all of the latest Canon equipment. I always carry the 5D Mark IV and the R6 Mark II, with a range of prime and zoom lenses, among other items.

Q: How do we reserve our wedding date?

A: A £400 deposit & signed contract is required in order to secure your wedding in my calendar. The remainder of your balance is due 28 days prior to your wedding. As soon as you decide you'd like to go ahead and book me - I'll forward you a booking form/contract along with my terms and conditions to sign.

A romantic wedding scene in a Venetian gondola. A bride in a white lace dress and a groom in a dark suit are seated in the gondola, holding hands and looking at each other. The gondola is on a canal in Venice, with historic buildings and a gondolier visible in the background. The scene is bathed in soft, warm light, suggesting a sunset or sunrise. The text is overlaid on a semi-transparent white rectangle in the center of the image.

AMAZING AT WHAT SHE
DOES. WE ARE SO
GRATEFUL THAT SHE

What sets Jo apart is her attention to detail and the way she takes charge to ensure she gets those perfect shots. She'd gently pull us aside when needed, making sure we had all the necessary photos without disrupting the flow of our day. If you want a photographer who is not only immensely talented but also a joy to work with, Jo is the one you need!
