# the Brewster Triplets FLOWER GIRLS

## DAWN, DARBY and DELANEY are the Brewster Triplets

Although very different, they share in a common pursuit of justice - justice for those who stand in the way of happiness.

When these three put their heads together, nothing will stop them from getting what they want... even if things get a little messy along the way.

**Sure, two heads may be better than one, but three gets any job done!**

## THE FLOWER GIRLS

Summer vacation is put on hold when Lily, the eldest Brewster daughter, gets engaged to her boyfriend Burton. The triplets think that Burton is **THE WORST**, so why would Lily marry a guy who isn't right for her?

These fiery little flower girls decide to take matters into their own hands and stop the wedding. With a bit of convincing and a whole lot of luck, Lily will see that her dreamboat ex-boyfriend Alex is actually her soulmate.

Darby, Dawn and Delaney have just the right mix of cunning, caring and cuteness to get their sister out of a very sticky situation, before she says 'I do!'
