“

I am so glad i found Alice to do my makeup as she created the perfect, natural look for me so that i felt like a more enhanced version of myself for such a special day. She totally put me at ease and covered up any blemishes amazingly! The makeup stayed out throughout the whole day & evening (even through a few tears!)

“

We can't thank Alice enough for doing mine, my bridesmaids and Mum's make-up on my wedding day. She really listened to what people wanted and everyone's makeup was perfect yet they still looked like themselves. I couldn't have loved my final look more. She's such a lovely character to have around on the day as well. We can't recommend her enough!
